Dear Mam,

We are writing to let you know how much we appreciate the outstanding **Pseudo Code Training** session that you provided in the month of August on 20th, 21st and 27th August 2020. Because of your sincere efforts, Capgemini campus drive eligible students from final year Electronics Engineering was able to find exactly what they needed and we are very satisfied with the sessions conducted by you.

We will continue this kind of training session in the future, as well as recommended it to others. You have put together team that makes students feel respected and valued.

We look forward to working with your team again in the future.

Regards
