We are glad to inform you that Miss. **Joshi Bhagyashri Dhananjay of Third Year E&TC Engineering** from **Amrutvahini College of Engineering, Sangamner**, has successfully completed her Online Internship conducted by GB Softronics Solutions, Nashik on Zoom online platform from 12th May, 2021 – 22nd May, 2021

During her Online Internship, she has exposed to various activities in Embedded Programming using Arduino on TinkerCAD.

We found her extremely inquisitive and hard working. She was very much interested to learn the basic concepts in embedded programming with interfacing of different sensors and actuators to Arduino and also willing to put her best efforts and get in to the depth of the subject to understand better. During the internship, she demonstrated good design skills with a self-motivated attitude to learn new things. Her performance exceeded expectations and was able to complete the project successfully on time.

Her association with us was very fruitful and we wish her all the best in her future endeavors.
