SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that Mr. **Girish Prabhakar Mhase** of **Third Year E&TC Engineering** from **Amrutvahini College of Engineering Sangamner**, has successfully completed Level-2 Online Internship Training **Internet of Things using Arduino and NodeMCU** conducted by GB Softronics Solutions, Nashik on Zoom online platform from 15th June, 2021 – 25th June, 2021

During this internship, he exposed to various interfacing of digital Sensors and Actuators eg LED's, Switch, Seven segment, Potentiometer, LCD, IR sensor, servo motor, DC motor, motion sensor, ultrasonic sensors, GPS, GSM Modem, NodeMCU Programming, WiFi Programming, MQTT Programming, Receiving and sending data to Thingspeak and Adafruit cloud server, Android APP Development using MITAPP Inventor, etc.

We found him extremely inquisitive and hard working. He was very much interested to learn the basic concepts in embedded programming with Internet of Things and also willing to put his best efforts and get in to the depth of the subject to understand better. During the internship, he demonstrated good design skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

His association with us was very fruitful and we wish him all the best in his future endeavors.

For GB Softronics Solutions,
