SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that Mr. **Nikhil Madhav Dighe** of **Third Year E&TC Engineering** from **Amrutvahini College of Engineering, Sangamner**, has successfully completed Online Internship conducted by GB Softronics Solutions, Nashik on Zoom online platform from 26th May, 2021 – 3rd June, 2021

During this internship, he exposed to various activities in Embedded Programming using Arduino on TinkerCAD and explored the interfacing of LED's, Switch, Seven segment, Potentiometer, LCD, IR sensor, servo motor, DC motor, motion sensor, ultrasonic sensors, etc with Arduino UNO.

We found him extremely inquisitive and hard working. He was very much interested to learn the basic concepts in embedded programming with interfacing of different sensors and actuators to arduino and also willing to put his best efforts and get in to the depth of the subject to understand better. During the internship, he demonstrated good design skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

His association with us was very fruitful and we wish him all the best in his future endeavors.

For GB Softronics Solutions,
