 Subject: 03 engineers are selected to work at KESHAV METALS!

Dear Sir,

Thank you for your extended support.

With your guidance we could conduct interviews as schedule. Students were well prepared and your efforts were visible.

Post evaluation, we found below 03 engineers suitable to give an opportunity,

1. **Hemant Arvind Kotkar,**
2. **Sachin Vishnu Bodke,**
3. **Tushar Minanath Agale**

Our offer is as below,

Till completion of engineering degree	Position	Intern

	Stipend	□ 10,000 per month
	Reporting to	CEO
	Joining date	Fri, 16-April-2021 or earlier
Post completion of engineering degree	Position	Trainee Engineer (06 months' probation)
	Salary	□ 12,000 to □ 15,000 per month
		<i>Review based revision / offer</i>
	Reporting to	Head, Operations

Requesting your guidance to initiate next actions.

Thanks & Regards,

Gaurav N Desai

Subject: KESHAV METALS - Work opportunity to new engineers

Dear Sir,

Thank you for allowing us to connect.

We have seen your continuous efforts for development of engineers and request you to continue same. Inline with your work, we would like to extend our support by giving work opportunity to new engineers.

Kindly find attached file for your review. Summary is as below,

1. We at KESHAV METALS, have our Cold Rolling Mill (CRM) in Aurangabad. Past 20 years have allowed us to learn and implement best practices of leading steel manufacturers and consumers.
2. Flat steel produced is consumed by segments like Automotive, Appliances, Electrical, Storage Solutions, etc..
3. Offered opportunity,
 1. Area : Production, Quality and Mechanical Maintenance,
 2. Position : Trainee Engineer,
 3. Salary : ₹10,000 to ₹18,000 per month (interview based offer)

You may please guide us on next actions.

Thanks & Regards,
