Sub: Letter of Appreciation

Sir,

With all our due respect, we would like to thank you for your presence as chief guest at the "Engineer's Day Celebration" arranged for Civil Engineering Students.

I felt you addressed the subject with openness, honesty and sensitivity. I believe many of students now understand the seriousness of the topic and how to deal with it much better than before. I especially appreciate the examples you gave and the point of law that you applied to each. I wish you success in your effort to educate all of our students in work place.

There is no doubt that you will be called upon to present again. I wish you the very best of luck. We are all looking forward to another chance to hear you.
