Respected Sir,

Amrutvahini College of Engineering, Sangamner is a leading premier institute affiliated to Savitribai Phule Pune University, Pune. Our institute celebrates 15th September as National Engineer's Day to appreciate the contributions of Bharat Ratna awardee Hon. Mokshagundam Visvesvaraya every year. This year also the institute is celebrating Engineer's Day on 15th Sept. 2021 in association with the cultural club of the institute, IEEE MTT's, and IEEE APS student branch chapters of department of Electronics and Telecommunication Engineering.

You are a renowned researcher with a huge contribution at national and international level in the engineering domain. Your expertise and experience in this field will be an excellent addition to our program on Engineer's Day as all of us will look forward to hearing and learning from your work in the engineering domain. It is an honour to invite you as a resource person for this event on 15th Sept 2021 at our institute. We kindly request you to deliver a keynote on **"Research- How, Why, and When"**.

We hope that you will accept our invitation. We are looking forward to hearing from you.
Please find the attachment of Invitation.

Thanking you,

Subject: Invitation to deliver an Expert Talk on the Occasion of Engineers Day 15th Sept. 2021.

Respected Sir,

Amrutvahini College of Engineering, Sangamner is a leading premier institute affiliated to Savitribai Phule Pune University, Pune. Our institute celebrates 15th September as National Engineer's Day to appreciate the contributions of Bharat Ratna awardee Hon. Mokshagundam Visvesvaraya every year. This year also the institute is celebrating Engineer's Day on 15th Sept. 2021 in association with cultural club of the institute, IEEE MTT's, and IEEE APS student branch chapters of department of Electronics and Telecommunication Engineering.

You are a renowned researcher with huge contribution at national and international level in the engineering domain. Your expertise and experience in this field will be an excellent addition to our program on Engineer's Day as all of us will look forward to hearing and learning from your work to engineering domain. It is an honour to invite you as a resource person for this event on 15th Sept 2021 at our institute. We kindly request you to deliver a key note on "Research- How, Why, and When".

We hope that you will accept our invitation. We are looking forward to hearing from you.

Thanking you,
Regards,

Dr. Prof. R. P. Labade
(Head, E&TC Engineering)

Dept. Of Electronics & Telecom. Engg
Amrutvahini College Of Engineering
Sangamner, Dist.-Ahmednagar, M.C.

Received with thanks!

Profile

Name: Aditya Abhyanka, Ph.D
Nationality: Indian
Position: Director, School of Technology
Professor and Head, Dept of Technology
SP Pune University, Maharashtra, India
Affiliation: SP Pune University, Maharashtra, India
Email: aditya1210@gmail.com
Phone No: +91-9860119930
Address: Department of Technology, SPPU, Pune

Education:

- Ph.D. (2006) (Electrical and Computer Engineering) Clarkson University, NY, USA
- Ph.D. (2020) (Sanskrit) Tilak Maharashtra Vidyapeetha, Pune
- M.S. (2003) (Electrical and Computer Engineering) Clarkson University, NY, USA
- M. B. A. (2013) (Masters in Business Administration)- Finance, India
- M. A. (2011) (Parangat) Sanskrit, Tilak Maharashtra Vidyapeetha, Pune
- M. A. Philosophy (2015), Tilak Maharashtra Vidyapeetha, Pune
- B.E. (E&TC) (2001), University Of Pune

Dr. Aditya Abhyankar is currently working as Director, School of Technology (Ex-Dean, Faculty of Technology) and Head & Professor in Department of Technology of SP Pune University. He is on lien from his duties as Dean R&D, Director CERD (Center for Excellence in R&D) and Professor in Computer Engineering Department of VIIT, Pune. He is associated as an adjunct professor with COEP, Pune, as research associate with Clarkson University, NY, USA and on advisory committee and BOS (board of studies) of many national and international universities.

Aditya Abhyankar received the BE degree in Electronics and Telecommunication Engineering from Pune University, India in 2001. He received the MS and Ph.D. degrees from Clarkson University, NY, USA in 2003 and 2006 respectively. He worked as a post-doctoral fellow at Clarkson University, NY, USA in the academic year 2006-07. He worked as a consultant for Biometrics LLC, WV, USA in 2007. Aditya has also earned M.A. (Sanskrit) with specialization in Vedant where he stood first in university in 2011, M.B.A. with specialization in finance in 2013 and M.A. (Philosophy) with specialization in Existentialism in 2015. He is pursuing his second Ph.D. in Sanskrit with his research focusing on Nasadiya sukta from Rigved. His research interests include pattern recognition, signal and image processing, wavelet analysis and biometric systems. Aditya has been working as Ph.D. guide for universities of repute and has guided and has been guiding doctoral and masters students.

Dr. Abhyankar has also won number of national and state awards with the likes of IETI scientist of the year 2011 award, sir C V Raman 2015 award at the hands of Hon'ble CM of Maharashtra, IETE SVC Aiyar Award, Prestigious VK Jog award of SPPU to name a few. He has contributed in national level programs for education like NPTEL at IIT Bombay. Dr. Abhyankar holds 8 US patents, 14 Indian patents, 7 disclosures, 8 Technology Transfers, 5 US copyrights to his credit. He has more than 70 international journal articles, 180 international conference papers, 25 invited talks in tier-1 international conferences, 44 international invited keynote addresses in tier-1 international events, 16 white papers, 7 magazine articles, 3 book chapters, 2 book reviews, 4 short letters, 8 short book reviews, 1 book, 67 international journal referee works and 81 international conference referee works in his name.

Dr. Abhyankar has been involved in number of funded research projects and consultancy activities. His research has attracted funds from international agencies like IUCRC and TFRC and also national funding agencies like RUSA, TDD, DST, RGSTP, AICTE, DIT etc. He has generated research funding of the tune of INR 50 cr and has created state-of-the-art infrastructure in various field of Engineering and Technology. He provides consultancy to number of reputed industries like Biometrics LLC, USA, vision&D, Canada, Optra Systems, India, BYDesign, Bangalore, India etc. He also is director of Research Park Foudation (a section-8 company of SPPU) which incubates exciting technological proposals. Dr. Abhyankar has been closely associated with AADHAR project and has contributed significantly in finalizing the norms and standards to be adapted across the country.

Dr Abhyankar is director of two start-ups, one based out of India and other based out of the USA. Dr Abhyankar has generated funding under RUSA (Rashtriya Uchhatar Shiksha Abhiyan) to form SPV (special purpose vehicle) section-8 Company at SPPU to promote and incubate business propositions into tangible forms to promote and nurture innovative research culture. Dr. Abhyankar is a multi-faceted personality and is known for his stage performances, singing performances, eloquent speeches on technical and non-technical subjects and his excellence in sports like Tennis, Chess and Badminton.

SUBJECT: Expression of Gratitude

Respected Sir,

We sincerely wish to thank you for readily accepting our invitation and delivering an expert talk on "Research- How, Why, and When" under institute Cultural Club in association with IEEE Microwave Theory and Techniques Society (IEEE MTT's), IEEE Antennas and Propagation Society (APS) Student branch Chapters E&TC Department on 16th September 2021.

Your expert talk on "Research- How, Why, and When" was well received by all the faculties and they were highly motivated with your research inputs. The valuable exposure about the need, importance of research in academics with changing global scenario, presented by you will definitely help the faculty members to achieve their highest watermark in their life. From this expert talk the faculty members learnt how to start the research activities.

We thank you for sparing your valuable time to guide us for this event and we look forward the same favorable support in future. Thank you Once Again.

Warm Regards,

Labade

Sub - Regarding permission to avail facility of Dronagiri
Conference Hall on 15th Sept. 2021.

Respected Sir,

With reference to above cited subject, I
kindly request you to avail the facility of Dronagiri
Hall for celebration of "Engineers Day" on 15th Sept
2021. This activity is arranged under AVCOE Cultural
club as per the directions of principal sir. We also
request you to depute one technical assistant
to look after audio-visual aids of the hall for
smooth functioning of the program.

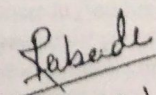

Thanking you,

Yours faithfully,

14/09/21.

Dr. S.R. Jondhale
(Event Co-ordinator)

Dear Sir,
Please do the needful.
