Dear Sir,

Greetings from Amrutvahini College of Engineering!!

AVCoE, established in 1983, is one of the premier engineering institute affiliated to Savitribai Phule Pune University. The institute is accredited by National Board of Accreditation and recently has been awarded A+ grade by NAAC. The institute is also adjudged as "Best Engineering College Award" by SPPU Pune in 2021.

Industrial exposure makes the students to understand their subjects in a better way. It also helps the student to understand the industry culture, dynamics and different technologies, tools and techniques. The in-plant training will enrich the knowledge and skills in their respective fields.

We have encouraged our students to undergo in-plant training during Third year for a period of 2-weeks. As per new 2019 syllabus of Pune university the internship activity is compulsory to every student.

In this connection, I would like to request you to grant the permission to the following students for Third Year Mechanical Engineering to undergo in-plant training in your reputed Industry.

- 1) Jaytap Shubham Bhavsare
- 2) Kanane Darshan D.
- 3) Kanane Ashish P.
- 4) Kanane Dnyaneshwar S.

Prof. _____ (Mobile No: _____)

) will be guide to this students during the in-plant

Subject:- Inplant training TIFAN SAE India

Dear Sir/Madam,

As per above cited subject, I take this privilege to seek your permission for the internship to our students at your industrial complex.

AICTE also took the step to provide the practical knowledge to students by initiating the support for internship.

From current final year engineering batch 2020-21 we have 124* (till date) students placed in different companies from all the branches. Also, we had achieved a milestone of International Placement of 06 students with 19.28 LPA package recent years. From last year batch 2019-20 and 2018-19 through campus drive total 488 and 577 students placed respectively.

Purpose of Internship: Engineering students are expected to undergo training from prominent industries and companies for practical exposure and insights to the real working environments. If you permit following students, they will follow all your guidelines as well as all safety rules during this internship. **Prof. S. T. Gadakh** will be the mentor from college end to these students. Students will join the company during summer/winter vacation from **16 June 2021** for internship.

To,

The Head HR,
SANGAMNER TALUKA SAHAKARI DUDH UTPADAK & PRAKRIYA SANGH
Ltd.,

Amrutnagar, Sangamner

Greetings from Amrutvahini College of Engineering, Sangamner!!!

Subject: Permission for the internship (02 weeks/ 01 month) for the Pre-Final Year Mechanical Engineering students.

Dear Sir/Madam,

As per above cited subject, I take this privilege to seek your permission for the internship to our students at your industrial complex.

AICTE also took the step to provide the practical knowledge to students by initiating the support for internship.

From current final year engineering batch 2020-21 we have 124* (till date) students placed in different companies from all the branches. Also, we had achieved a milestone of International Placement of 06 students with 19.28 LPA package recent years. From last year batch 2019-20 and 2018-19 through campus drive total 488 and 577 students placed respectively.

Purpose of Internship: Engineering students are expected to undergo training from prominent industries and companies for practical exposure and insights to the real working environments.

If you permit following students, they will follow all your guidelines as well as all safety rules during this internship. *Prof. S. T. Gadakh* will be the mentor from college end to these students. Students will join the company during summer/winter vacation from 1st March 2022 for internship.

Sr. No.	Name	Roll No.	Year	Discipline
1.	Miss. Shinde Gayatri Nandakishor	3248	Third Year	Mechanical

As per AICTE guidelines, we will provide internship documents with the students. Kindly provide information on the same only. It's request to you not to provide your organizations secretes/information/data to these students to avoid further conflicts.

A line of confirmation will be highly appreciated.

With warm regards,

Yours sincerely,

Prof B.S. Sable,

Sub: Permission for the In-plant Training of the Pre-final year Mechanical Engineering students.

Dear Sir,

Greetings from Amrutvahini College of Engineering!

AVCoE, established in 1983, is one of the premier engineering institute affiliated to Savitribai Phule Pune University. The institute is accredited by National Board of Accreditation and recently has been awarded A+ grade by NAAC. The institute is also adjudged as "Best Engineering College Award" by SPPU Pune in 2021.

Industrial exposure makes the students to understand their subjects in a better way. It also helps the student to understand the industry culture, dynamics and different technologies, tools and techniques. The in-plant training will enrich the knowledge and skills in their respective fields.

We have encouraged our students to undergo in-plant training during Third year for a period of 2-3 weeks. As per new 2019 syllabus of Pune university the internship activity is compulsory to every student.

In this connection, I would like to request you to grant the permission to the following students from Third Year Mechanical Engineering to undergo in-plant training in your reputed Industry.

- 1) Shinde Gayatri Nandakrishner
- 2)
- 3)
- 4)

Prof. B.G. Shinde (Mobile No: 9011601280) will be guide to this students during the in-plant / internship training.

We assure you that our students will follow all your rules and regulations and shall maintain the discipline during the period.
Thanking you.

Yours Truly,

Dr. V. D. Wakchaure
Head, Mechanical Engineering Dept.

Greetings from Amrutvahini College of Engineering, Sangamner!!

Subject: Permission for the internship (02 weeks/ 01 month) for the Pre-Final Year Mechanical Engineering students.

Dear Sir/Madam,
As per above cited subject, I take this privilege to seek your permission for the internship to our students at your industrial complex.

AICTE also took the step to provide the practical knowledge to students by initiating the support for internship.

From current final year engineering batch 2020-21 we have 124* (till date) students placed in different companies from all the branches. Also, we had achieved a milestone of International Placement of 06 students with 19.28 LPA package recent years. From last year batch 2019-20 and 2018-19 through campus drive total 488 and 577 students placed respectively.

Purpose of Internship: Engineering students are expected to undergo training from prominent industries and companies for practical exposure and insights to the real working environments.

If you permit following students, they will follow all your guidelines as well as all safety rules during this internship. *Prof. S. T. Gadakh* will be the mentor from college end to these students. Students will join the company during summer/winter vacation from 1st May 2022 for internship.

Sl. No.	Name	Roll No.	Year	Discipline
1.	Mr. Shreeraj Vaibhav Kanawade.	3253	Third Year	Mechanical

As per AICTE guidelines, we will provide internship documents with the students. Kindly provide information on the same only. It's request to you not to provide your organizations secrets/information/data to these students to avoid further conflicts.

A line of confirmation will be highly appreciated.

With warm regards,
Yours sincerely,

Prof B.S. Sable,
