Sub: Permission for the In-plant Training of the Pre-final year Mechanical Engineering students.

Dear Sir,

Greetings from Amrutvahini College of Engineering!!

AVCoE, established in 1983, is one of the premier engineering institute affiliated to Savitribai Phule Pune University. The institute is accredited by National Board of Accreditation and recently has been awarded A+ grade by NAAC. The institute is also adjudged as "Best Engineering College Award" by SPPU Pune in 2021.

Industrial exposure makes the students to understand their subjects in a better way. It also helps the student to understand the industry culture, dynamics and different technologies, tools and techniques. The in-plant training will enrich the knowledge and skills in their respective fields.

We have encouraged our students to undergo in-plant training during Third year for a period of 2-3 weeks. As per new 2019 syllabus of Pune university the internship activity is compulsory to every student.

In this connection, I would like to request you to grant the permission to the following students from Third Year Mechanical Engineering to undergo in-plant training in your reputed Industry.
