The lecture was planned for First Year Engineering students on 28/12/2021 under the induction programme. The lecture was on **“Respect and Time management”**. The aim of session was too aware the students about importance of universal human values in view of time management. The objective of such event to inculcate the ethical values, punctuality, time importance and moral values in life. Sir has significant contribution in the field of Yoga and also helps the number of students who has suffering from the depressions. Sir has shared the few of his experiences about the girls education and also the highlighted the respect towards his teachers. The first session was from 9:00 am to 11:00 am, for that session student 94 students were present from F and G division. The second session was from 11:30 am to 1:30 p m, for that session student 77 students were present from A and B division The sessions were quite interesting the audiences share their thoughts and doubts during the sessions. Students ask several questions to clear their doubts for better understanding. The students enjoyed the session a lot and assure the presenter that they could consider this aspect in day to day life to become a good human being.

Subject: Expression of Gratitude.

Dear Sir,

We sincerely wish to thank you for readily accepting our invitation and conducting an Seminar on "Key of Success" for FE engineering students under FE Induction Program 2021 in Amrutvahini College of Engineering, Sangamner on 29th Dec, 2021.

Your session was well received by students and they were highly benefited with your experience and knowledge-based inputs. Your valuable exposure about the skill-set about Attitude, Association, Focus, Mind Control and Developing faith with different case study will definitely help the students to achieve their highest watermark in the domain.

We thank you once again and look forward the same favorable support in future.

Thanking you,
