Dear Sameer Arote,

Congratulations! You have cleared the pre-placement interview through HackWithInfy 2021 to receive a job offer for the **Digital Specialist Engineer** role at Infosys.

The Systems Engineer Specialist has been redefined as the Digital Specialist Engineer (DSE) role. It is a niche technical role that requires full-stack capabilities and skills like analytics, artificial intelligence, automation, big data, cloud, cybersecurity, data consulting, digital commerce, interaction, and marketing. Digital specialist engineers work across Infosys business units on special projects to develop integrated applications and bring agility in development with DevSecOps culture. The compensation offered for this role is **INR 5 lakhs per annum**.

Please note:

1. This is a conditional job offer subject to your background verification.
2. You might have appeared in PPI for a different role. The role offered to you is at par with the assessment of your skills from the interview.

Please feel free to write to us at HackWithInfy@infosys.com for any clarifications.

Regards,

Team HackWithInfy
