

Amrutvahini College Of Engineering, Sangamner

Experiential Learning, Participative Learning and Problem Solving

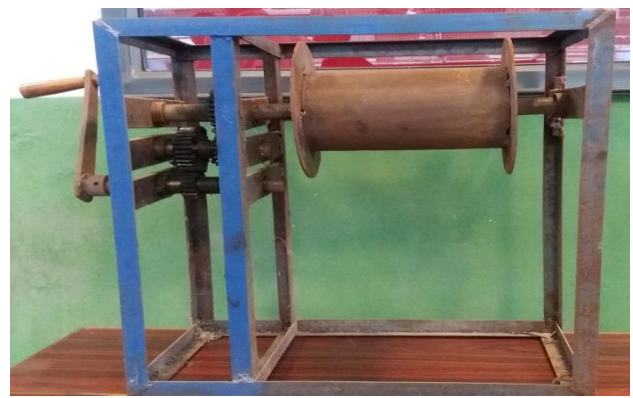

The institute encourages and practices experiential learning, participative learning and problem solving methodologies by employing student centric methods wherein faculty plays a role of facilitator.

Following are the glimpses of student's involvement in experiential learning, participative learning and problem solving.

Amrut Cot

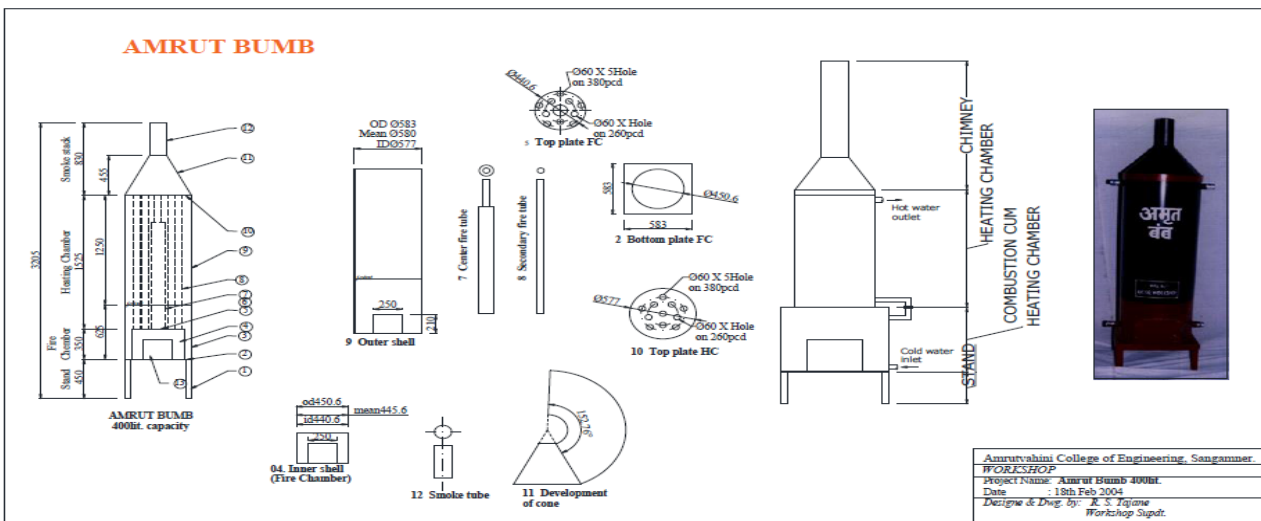

Amrut Crane

Amrut Chicken House

Amrut Chair

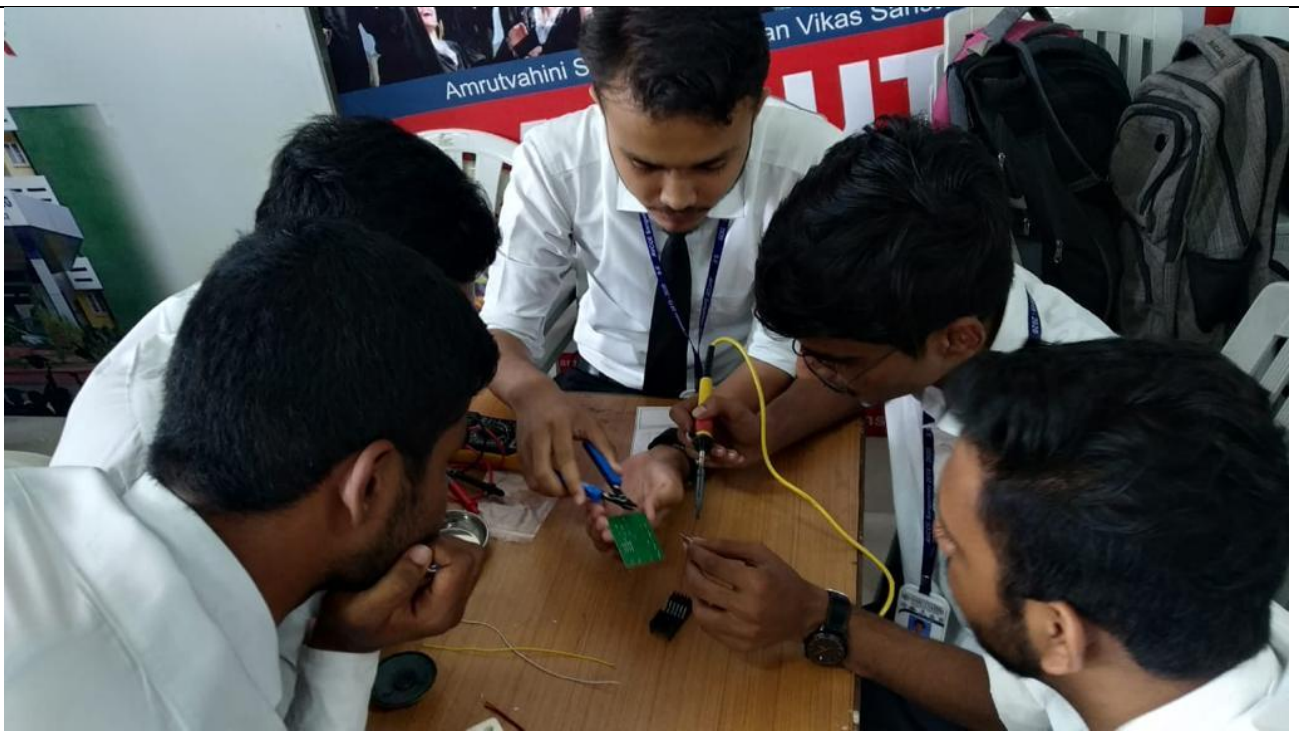

Amrut Bumb (Water Heater- Use farm waste as a fuel)

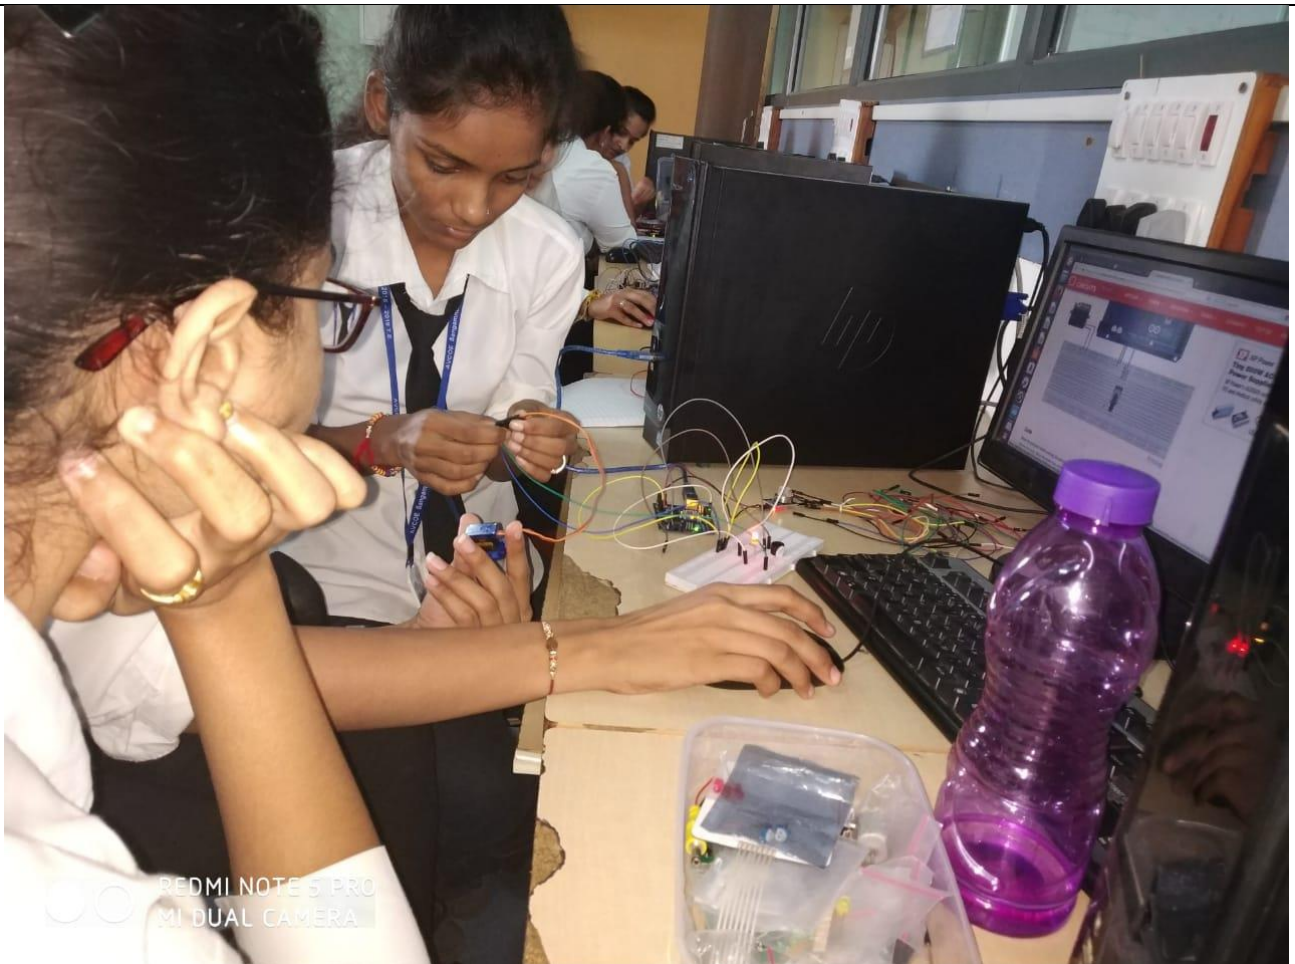

Civil Engineering students working on a shake table

Civil Engineering studens doing soil testing

Students working on their mini/hobby project

Electronics Engineering students building an IoT application
