To,

Respected HOD,

Department of computer Engineering,

AVCOE , Sangamner

Sub : Permission for Rangoli competition on the occasion of Shiv Jayanti

On behalf of the Association of Computer Engineering Students (ACES), I am writing to request your permission to conduct a Rangoli Competition in our department on the occasion of Shiv Jayanti on 19th February at the Amrut Kalamanch. The competition is open to all students of our department, and we believe that it will be a great opportunity for our students to showcase their creativity and talent.

As you may know, Rangoli is a traditional art form that is popular in many parts of India, and it involves creating intricate designs using colored powders, sand, or flowers. The Rangoli Competition will be conducted in a fair and transparent manner, and the judging will be done by a panel of judges who are experts in this field. We are confident that this event will be a fun and engaging experience for our students, and it will also help in promoting our cultural values and traditions.

We would like to use the Amrut Kalamanch for this event, and we promise to take good care of the premises and ensure that there is no damage done to the property. We will also ensure that the event does not disrupt the regular academic activities of the department in any way. We seek your kind permission to conduct this event, and we assure you that we will comply with all the rules and regulations of the department and the college. We will also ensure that the event is conducted in a safe and secure manner, and all necessary precautions will be taken to avoid any untoward incidents.

Sincerely,

Chaitanya Joshi

Report on "Rangoli Competition"

Date: 19/02/2023

Program Introduction

Association of computer Engineering Students organized college level Rangoli Competition. The Rangoli Competition organized on the auspicious occasion of Shivaji Maharaj Jayanti aimed to commemorate the birth anniversary of the great Maratha warrior king, Chhatrapati Shivaji Maharaj. The event provided a platform for participants to express their artistic skills and pay tribute to the legacy of Shivaji Maharaj through the traditional Indian art form of rangoli.

Date: [19th Feb 2023]

Location: [Amrut Kalamanch]

Event Highlights:

- 1. Theme:** The competition focused on the theme of Shivaji Maharaj's life, valor, and accomplishments. Participants were encouraged to depict various significant events, symbols, and iconic elements associated with Shivaji Maharaj's reign in their rangoli designs.
- 2. Registration and Participation:** Participants registered in advance to secure their spots in the competition. There was overwhelming response from students.
- 3. Judging Panel:** A panel of esteemed judges, comprising artists, historians, and cultural experts, was appointed to evaluate the rangoli designs. The judges assessed the entries based on criteria such as creativity, theme representation, use of colors, intricacy, and overall visual impact.
- 4. Rangoli Displays:** The event witnessed a vibrant display of rangoli designs, each reflecting the rich history and essence of Shivaji Maharaj's reign. Participants showcased their skills by incorporating intricate patterns, bold colors, and cultural symbols associated with the Maratha kingdom into their creations.
- 5. Prizes and Recognition:** At the conclusion of the competition, winners were announced. The top performers received prizes, certificates, and trophies as tokens of appreciation for their outstanding rangoli designs.

Objectives of Celebrating this Event

- To let the students stay rooted with Indian culture.
- To build group cohesiveness.
