**Sub: Letter of Appreciation**

Sir,

Just a note to congratulate you on the outstanding lecture you delivered today on "**Career Opportunities in Geotechnical Engineering**" to SE and TE Civil Engineering Students.

I felt you addressed the subject with openness, honesty and sensitivity. I believe many of students now understand the seriousness of the topic and how to deal with it much better than before. I especially appreciate the examples you gave and the point of law that you applied to each. I wish you success in your effort to educate all of our students in work place.

There is no doubt that you will be called upon to present again. I wish you the very best of luck. We are all looking forward to another chance to hear you.
