To

The Head,

Department of Electronics & computer Engineering

AVCOE, Sangamner.

Subject: Permission to conduct curricular/co-curricular activity in the department of
Electronics & Computer Engineering.

Respected Madam,

Department of Electronics & Computer Engineering has planned to conduct a curricular/co-curricular activity .

The details are as follows:

Proposed Date of Event: **10/08/2023 to 14/09/2023**

Type of Event: **Training**

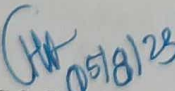

Topic: **Python Programming**

Resource Persons: Mr. Vedant Gune

So kindly give a permission to organize the event.

Thanking You,

Yours faithfully

Dr. S.S. Gundal

Coordinator

AE/Elex/Invitations/2023-24/

Date: 5/08/2023

To,
Mr. Vedant Gune,

Subject-Invitation as resource person for training session on "**Python Programming**".

Dear,

Mr. Vedant Gune,

Greetings.....!!!!

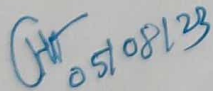

Sir, we are planning to conduct training session on "Python Programming" from 10/08/2023 to 14/09/2023 for TE students. The primary aim of arranging such sessions is to familiarize students with Python syntax, data structures, and object-oriented programming concepts.

Being one of the experts in Python, we will be grateful to you if you share your knowledge and experience with our students. Your contribution will be instrumental in keeping the pace with industry requirements and career paths of our students.

I hereby request you to accept our invitation. Kindly accept our invitation.

Looking forward to your kind acceptance.

Thanks

Dr. S.S. Gundal

Subject: Report of Training session on " **Python Programming** "

Respected Sir,

Electronics & Computer Engg. Department conducted training session on " Python Programming " for Third Year students of Electronics & Computer Engineering from 10/08/2023 to 14/09/2023. It is organized by Electronics & Computer Engg. Department. We are herewith submitting the report for the same.

Name of Resource Person : Mr. Vedant Gune,

Subject : Python Programming

Targeted students : Third Year students of Electronics & Computer Engineering

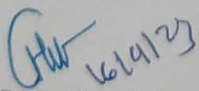

Number of Students : 38

Objective : To familiarize students with Python syntax, data structures, and object-oriented programming concepts.

Outcome : Students gained proficiency in Python programming language, including variables, loops, functions, and classes .

This is for your kind information

Thanking you

Dr. S. S. Gundal
Session Coordinator

To,

Mr. Vedant Gune,

Subject: Expression of Gratitude.

Dear Sir,

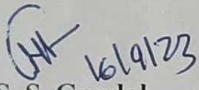

We sincerely express gratitude towards accepting the invitation of resource person for the Session on "Python Programming" for T.E. students organized by Electronics & Computer Engineering Department, Amrutvahini College of Engineering, Sangamner on 10th Aug, 2023 to 14th Sept, 2023.

Your session was well received by students and they were highly benefited with your knowledge-based inputs. Your valuable exposure about the skill-set required for software industry will definitely help the students to achieve their highest watermark in the domain.

Thanks once again and look forward for future support.

Thanking you,

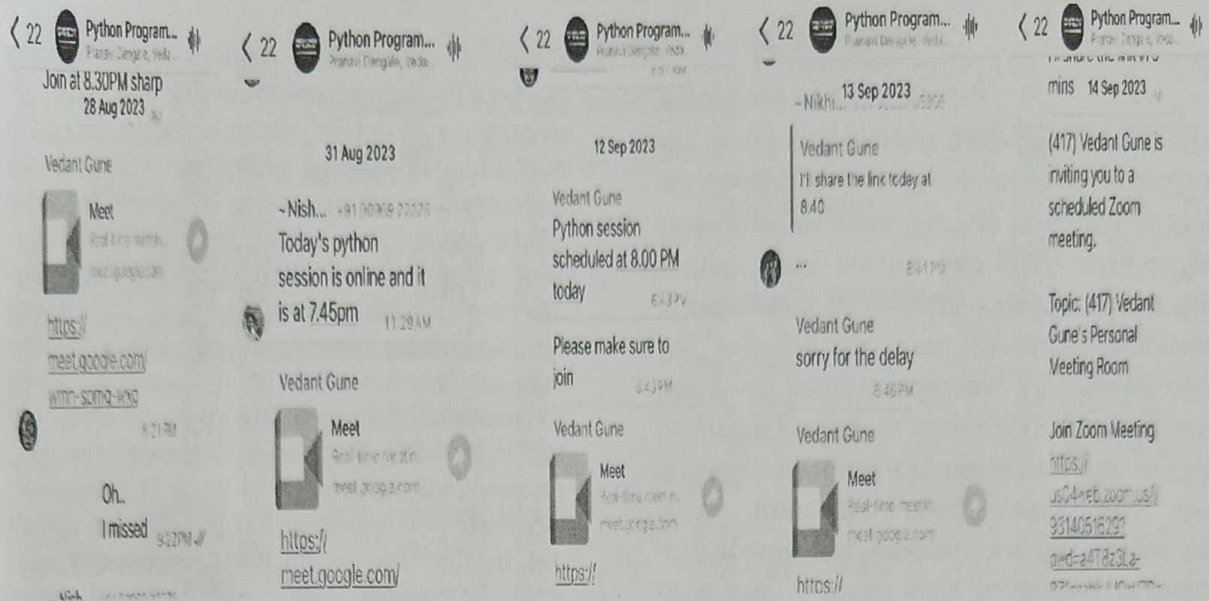

Warm Regards.
