

STUDENTS' ASSOCIATION OF AUTOMATION AND ROBOTICS

CNC PROGRAMMING WORKSHOP REPORT

The **Students' Association of Automation and Robotics (SAAR)** in Association of **Department of Automation and Robotics** had organized a 3 days CNC Programming Workshop for TE Students from 12th October 2023 to 14th October 2023 at 9.10 am to 4:00 pm in **class room no. 3**.

The workshop was given by **Dr. N. J. Varpe** sir, Junior Workshop Superintendent, Workshop Department, AVCOE, Sangamner.

The workshop was on the topic **"CNC Programming"**. The session was very interactive where the sir explained about main aspects of CNC programming. They Also told about how the actual program works after Implementation. As well as they presented Advantages of CNC over the traditional machines.

About 70 students from TE, Automation and Robotics Department were present for this 3 days workshop. The lecture was very much interesting and informative to the students.
