NOTICE

We are pleased to announce that on the occasion of International Women's Day, our college will be organizing a Health Checkup Camp (HB Checking) specifically for girls' students and female staff members. The purpose of this camp is to ensure the well-being and health awareness among our female community.

To facilitate the planning process, we kindly request the heads of all departments to provide us with the count of girls' students and female staff members who will be participating in the health checkup camp. This information will help us in making necessary arrangements and ensuring a smooth and efficient execution of the camp.

Kindly submit the count of female participants on immediate basis from your department through following appointed coordinators.
