To, Mr. Sanjay Chaudhari, Director, Electronics Study Center, Nasik.

Subject: Invitation for Guest Lecture on "Introduction of Electronics Components & Circuits" on 22th July 2023.

Respected Sir,

Amrutvahini College of Engineering. (AVCOE), Sangamner is one of the wellknown institutes affiliated to Savitribai Phule Pune University, Pune. The college used to organize Workshops/STTP's/Guest Lectures/National level Seminar etc regularly throughout the academic year.

It gives me immense pleasure to invite you for the Guest Lecture on "Introduction of Electronics Components & Circuits" for BE on 22th July 2023. All of us are aware of today's tough competition to get placed in the reputed MNC's. We are very much sure that this lecture will definitely create a technical awareness in students. You are requested to deliver lecture on Importance of Electronics Components & Circuits.

I request you to kindly accept the invitation. Thanking you,

T&P Co-Ordinator

Subject: Conduction Report of Guest Lecture on "Introduction of Electronics Components & Circuits" on 22th July 2023.

Respected Sir,

Department of Electronics & Telecommunication Engineering of AVCOE used to organize Workshops/STTP's/Guest Lectures/National level Seminars, Alumni Interaction, etc regularly throughout the academic year. The Dept. of E&TC has conducted Guest Lecture of Mr. Sanjay Chaudhari, Director, Electronics Study Center, Nasik. for BE on 22th July2023.

He focused more upon various possible career tracks, issues of recruitment process, etc. he has definitely created a technical knowledge awareness in students.

Thanking you,

Subject: Conduction Report of Guest Lecture on "Introduction of Electronics Components & Circuits" on 22th July 2023.

Respected Sir,

Electronics & Telecommunication Engineering Department conducted a Guest Lecture on "Introduction of Electronics Components & Circuits" on 22th July 2023. We are herewith submitting the report for the same.

Name of Guest: Mr. Sanjay Chaudhari

Organization & Profile: Director, Electronics Study Center, Nasik

Day Date & Time: Saturday, 22th July 2023, 9.00 am to 1.00 pm.

Targeted Students: BE Electronics & Telecommunication Engineering students.

Overview: The primary objective of the lecture was to provide an introductory understanding of electronics components and circuits to the students, thereby enhancing their knowledge and practical skills in the field of electronics. The event commenced with a warm welcome to our esteemed guest, Mr. Sanjay Chaudhari, followed by a brief introduction about his achievements and contributions to the field of electronics. The lecture was initiated at 09:00 AM, following the introduction.

Mr. Chaudhari started the lecture with a basic introduction to electronics, explaining its importance and role in our daily lives. He then moved on to discuss various fundamental electronic components such as resistors, capacitors, inductors, diodes, and transistors. He explained their functions, characteristics, and symbols used to represent them in electronic circuits.

The lecture then progressed to the introduction of basic electronic circuits. Mr. Chaudhari explained the concepts of series and parallel circuits, Ohm's law, Kirchhoff's laws, and the working of simple circuits like rectifiers, amplifiers, and oscillators. He used real-life examples and simple demonstrations to make the concepts more understandable. The guest lecture on "Introduction of Electronics Components & Circuits" was a success, providing valuable knowledge to the students. It was an enriching experience that will undoubtedly aid the students in their academic journey in the field of electronics.

This is for your kind information.

Thanking you.

Yours Sincerely,

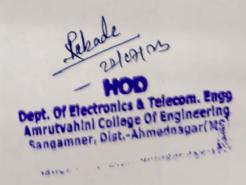

Mr. V.R. Aware T&P Co-Ordinator
