Subject: Conduction Report of Guest Lecture of Dr. Narayan Pisharoty under IEEE MTT's, IEEE APS Student branch Chapters on 05/03/2024.

Respected Sir,

The Department of Electronics and Telecommunication successfully conducted Guest Lecture of Dr. Narayan Pisharoty under IEEE Microwave Theory and Techniques Society (IEEE MTT's), IEEE Antennas and Propagation Society (APS) Student branch Chapters, E&TC Department on 5th March 2024.

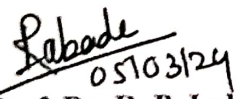

The details of this event are as given below.

Resource Person: Dr. Narayan Pisharoty (ex CTO at IZiel Healthcare Carnegie Mellon University, Fremont, California, United States)

Topic of Talk: "Unblocking Growth: Exploring Opportunities in the Electronics Industry"

Attendee: TE(E&TC), BE(E&TC Students), all department Faculty Members

Thanking you,

05/03/24

Sub: Invitation to deliver an Expert talk on **“Unblocking Growth: Exploring Opportunities in the Electronics Industry”** under IEEE MTT's and IEEE APS students branch chapter.

Respected Sir,

Amrutvahini College of Engineering (AVCOE), Sangamner is one of the well-known institute affiliated to Savitribai Phule Pune University, Pune. The Dept. of E&TC of Amrutvahini College of Engineering, Sangamner regularly organizes Expert Talks, Workshops, STTP's, Guest Lectures, National level Seminars, etc in associated with IEEE MTT's and IEEE APS students branch chapters throughout the academic year frequently.

The Department of Electronics & Telecommunication is organizing an Expert Talk for Students on **“Unblocking Growth: Exploring Opportunities in the Electronics Industry”** on 5th March, 2024 under IEEE MTTs & APS students branch chapters.

We are happy to invite you as a resource person for this Expert Talk. We are very much sure that this Talk will definitely create an interest among the students about the importance of electronic components, tools in healthcare domain and increase their knowledge.

It will be a pleasure to us to have you as a resource person for this Expert Talk and I hope you would accept our invitation.

Thanking you,

With regards

Yours sincerely,

Dr. Ms. R.P. Labade
Head, E&TC Department and
Counselor, IEEE Student branch.

Subject: Expression of Gratitude.

Respected Sir,

We sincerely wish to thank for readily accepting our invitation and taking an Expert Talk on "**Unblocking Growth: Exploring Opportunities in the Electronics Industry**" organized by the Department of Electronics and Telecommunication Engineering in associated with IEEE Microwave Theory and Techniques Society (IEEE MTT's) and IEEE Antennas Propagation Society (IEEE APS) students branch chapter on 5th March 2024.

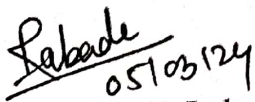

Your Talk on "**Unblocking Growth: Exploring Opportunities in the Electronics Industry**" is well received by all the students, and they are highly motivated with your inputs. The valuable exposure about the need, importance of Art of Electronics for Students presented by you will definitely help the students to achieve the following outcomes-

1. Students will be able analyze and evaluate the needs of various electronic components and systems required for healthcare systems, wireless communication systems, and signal processing.
2. Students will be able design advanced communication systems in the field of healthcare domain.

We thank you for sparing your valuable time to guide us for this event and we look forward the same favorable support in future. Thank you Once Again.

With regards

Yours sincerely,
