### **Initiatives in Healthcare:**

SARATHI SOCIAL FOUNDATION ([www.sarathisocial.in](http://www.sarathisocial.in)) is a community led health microinsurance organizations that focuses on primary health care services and women led governance to sustainably run low ticket size health microinsurance in the slums and villages Kalyan, Dombiwali, Ulhasnagar, Pune of India.

In Health-Care, urban slum residents suffer from unpleasant or poor health conditions due to mainly two reasons –first the lack of education and thus lack of knowledge; and second the reluctance to lose a day's earning or wage in order to reach the nearest medical facility. Healthcare for poor & needy, which is a desperate need, thus remains unaddressed. The need of the hour is thus a two pronged approach Bring quality healthcare services to doorsteps of the needy and Promote healthcare awareness and modern healthcare seeking behaviour among the underprivileged.

In such a scenario a mobile healthcare services delivery system is the most practical mechanism. And in subscription to this view, Sarathi Social Foundation has initiated the various health services

- Medical check-up Camps and campaigns in slums
- Health Talks -for health awareness
- 24\*7 Help line -Doctor on phone call
- Medical guidance centre& Referral services- to Trust & Govt hospitals in the communities through doctor with distribution of medical supplements to needy in slums kind of programs.
- Network of health care provider in the communities & This is a unique mobile dispensary programme that seeks to address problems of mobility, accessibility and availability of primary healthcare with a special focus on children and women, in urban slums and remote rural areas as well.

We focus on awareness on social and economic issues through a wide range of actions aimed at fostering the evolution of their behaviours (gender discrimination, education,). Our endeavour is to take State & Central government initiatives or Schemes to the real BPL (Below Poverty Line) or needy members of the society.
