Subject - Regarding the permission to attend International Conference at NIT Warangal

Respected Sir,

As per the above-mentioned subject, I undersigned, Ravindra E. Gite, Assistant Professor, Mechanical Engineering Department, requesting you to permit me to attend International Conference on Additive Manufacturing (ICAM 2024), which will be held from 4-6th March 2024 in NIT Warangal. My research paper, "Optimization of printing parameters for selective laser melted AlSi10Mg alloy using the Taguchi Approach" has been accepted for presentation in International Conference, ICAM-2024 at NIT Warangal.

So kindly requesting you to permit to attend International Conference at NIT Warangal. The presentation schedule is attached for your perusal.

Thanking You

RS Sir,

Yours Sincerely

(Signature)

Dear Sir,

Paper ID : **ICAM2024-030**Title: **Optimization of printing parameters for selective laser melted AlSi10Mg alloy using the Taguchi Approach**

I am delighted to inform you that your paper is titled "**Optimization of printing parameters for selective laser melted AlSi10Mg alloy using the Taguchi Approach**" has been accepted for presentation at the International Conference on Additive Manufacturing (ICAM 2024), which will be held from 4-6th March 2024 in NIT Warangal.

The review committee mentioned below:

I, as a reviewer, highly appreciate the authors' attempt at **Optimization of printing parameters for selective laser melted AlSi10Mg alloy using the Taguchi Approach**. However **minor revision** required to fulfill the requirements to consider for presentation at the conference.

1. Kindly reduce the citation to below 20.
2. In Table 3 what do you mean by border laser power? if it is outer scan pattern printing laser power please use standard terminology.
3. In Table 5 is S/N ratio for which measured outputs? Have considered it as single objective?
4. If you have considered as single objective function kindly add the discussion how you converted into single objective function.
5. There are typo errors Table no. 5 Repeated please correct it carefully.
6. Table 5 (second) analysis of single to noise ratio of what ?? Please define properly I think it's mean response table? It should be Table 6 then followed 7,8,9
7. Kindly mention Adj R2 also.
8. Kindly correct all the table numbers in the entire manuscript.
9. Provide the scale for Fig. 4,5,
10. Kindly display the Fig 6 axis in black color

For your reference, its highlighted in yellow color.

We have attached a document along with this mail which mentioned along with reviewer comments highlighted in yellow color. Please modify the manuscript according to comments mentioned in the document and submit the revised version as per template before 10th February 2024.

The complete schedule and detailed information about the session will be provided in the conference program soon.

To proceed with the publication of your paper in the conference proceedings, please ensure that you adhere to the **submission guidelines**. If you have any questions or require further information, feel free to contact the conference organizers.

Please email the final revised copy of the word .docm file as per the template before 10th February 2024.

The standard template of the paper is attached to this email. Please follow the standard format.

Once again, congratulations on your acceptance to ICAM 2024. We look forward to your participation and the valuable insights you will bring to the conference.
