Respected Sir/Madam,

Hope this email finds you well. I am Ashwini Choudhary, HR representative from Sumago Infotech Pvt. Ltd. We are excited to explore the opportunity to conduct a placement drive at your esteemed institution for BE students.

Our company is actively seeking talented individuals to join our team, and we believe that your students possess the skills and knowledge we are looking for. Conducting a placement drive at College aligns with our commitment to identifying and hiring the best talent in the field.

Here are some details about our company and what we can offer to potential candidates:

Our organization deals in offering Web Designing, Web Application Development, Mobile Application Development, Software Development, Digital Marketing, Software Testing, Quality Assurance services and many more. We have also started working in data science, data analytics and AI, ML Application development.

Sumago Infotech has industry-specific software expertise in Technology, Financial, Healthcare, Media, Manufacturing, and many other sectors. We are a team of committed innovative, client-sensitive and experienced software professionals who always strive to deliver customized, cost-effective and long-term software solutions that complement our client's objective and result in a satisfied customer.

We are flexible with scheduling and can accommodate any dates that suit your academic calendar. Additionally, we are open to virtual or on-site placement processes, depending on the preferences and convenience of the college.

If you are interested in partnering with us for this placement drive, please let us know the next steps and any specific requirements your institution may have. We are more than willing to provide any additional information or documentation needed.

Thank you for considering our proposal. We look forward to the possibility of working together to connect with and recruit talented BE IT/Computer students from Your College.

For further details, please reach out to our HR Department hr@sumagoinfotech.com (8530648814).

Best regards,

Ashwini Choudhary
