Sub : Invitation Letter for conducting three Days Workshop for Third Year Students on
“**Industrial Approach in Electronics**” of E&TC, on **25th , 26th & 27th November, 2023.**

Respected Sir,

Amrutvahini College of Engg.(AVCOE),Sangamner is one of the well known institute affiliated to University of Pune. The Dept. of E&TC of Amrutvahini College of Engineering, Sangamner used to organize Workshops,STTP's,Guest Lectures, National level Seminars,...etc throughout the academic year frequently.

Department of Electronics & Telecommunication organizing one Day Workshop for Third Year Students on “**Industrial Approach in Electronics**”, on **25th , 26th & 27th November, 2023.** We are happy to invite you as a resource person for this workshop. We are very much sure that this workshop will definitely create an interest among the students about core electronics field and increase their knowledge.

It will be a pleasure to us to have you as a resource person for this workshop and I hope you would accept our invitation.

Thanking you,

With regards
Yours sincerely,

Subject: Expression of Gratitude.

Respected Sir,

We sincerely wish to thank for readily accepting our invitation and taking a workshop on "Industrial Approach in Electronics" under IEEE Microwave Theory and Techniques Society (IEEE MTT's) and IEEE Antennas Prorogation Society (IEEE APS) student's branch chapter.

Your workshop on "Industrial Approach in Electronics" was received by all the students they were highly motivated with your research inputs. The valuable exposure about the need, importance of PCB design technology and component testing in academic with changing global scenario, presented by you will definitely help the students to achieve the outcomes-

1. Identify Different type of PCB and Electronics Component.
2. Assemble a Electronics Project and test result of same.

We thank you for sparing your valuable time to guide us for this event and we look forward the same favorable support in future. Thank you Once Again.

With regards
yours sincerely,

Subject: Conduction report of workshop on "Industrial Approach in Electronics" under IEEE MTT'S, IEEE AP'S Student branch chapters on 25th, 26th, 27th November 2023.

Respected Sir,

The department of Electronics and Telecommunication under IEEE MTT'S, IEEE AP'S student branch chapter conducted a workshop on "Industrial Approach in Electronics" on 25th, 26th, 27th November 2023. The workshop was beneficial for all students in understanding the advancement in Industrial Approach in Electronics. This has played vital role in society today. It has positive and negative effects on the world and it impacts daily lives. The major fields of society that technology has impacted include: consumer electronics, telecommunications, medical devices, aerospace and defense systems, education and industries.

The details of this workshop were as follows:

Duration : 25th, 26th, 27th November 2023.
Resource : **Mr. Sanjay Chaudhari**
Person : Electronics Study Centre, Nashik

Total no. of : 66
students
attended the
lecture

Objectives : 1. To create awareness among the student related to Electronic hardware technologies.

Outcomes :
1. Students are able to Identify Different type of PCB and Electronics Component.
2. Students are able to assemble a Electronics Project and test result of same.

Coordinators : 1. Ms. S.S.Gite 2. Ms.R.K.Kharat 3. Ms .S.P.Kale

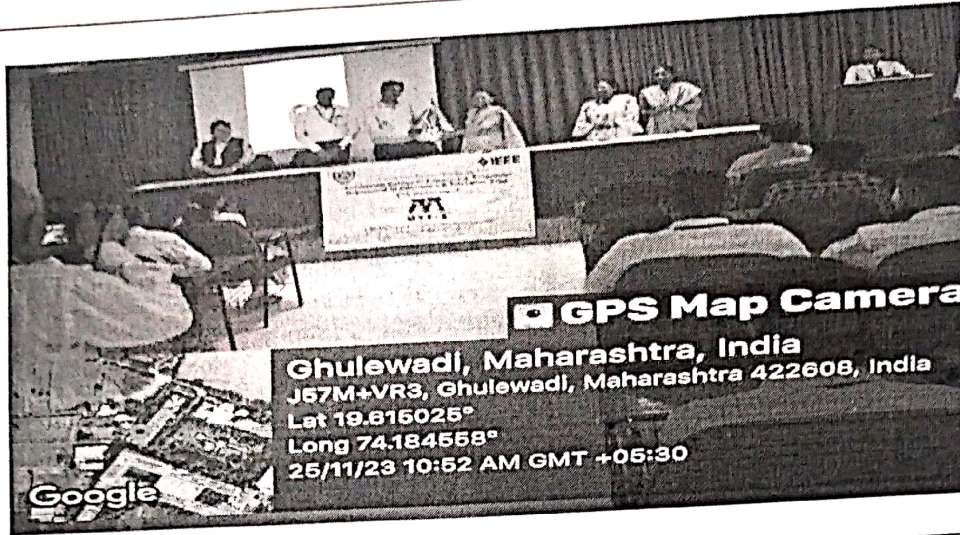

This is for your kind information.
Thanking You,
