**Memorandum of Understanding (MOU)**

between

**Amrutvahini College of Engineering  
and  
Tata Technologies Inc.**

Date: 12/09/2023

This Memorandum of Understanding (MoU) is entered amongst

**Amrutvahini College of Engineering** (hereinafter referred to as "**PARTY 1** or **AVCOE**") is approved by affiliated with Savitribai Phule Pune University and is developed as per the norms of the All-India Council of Technical Education (A.I.C.T.E), Government of India and having its campus at Sangamner – 422608 Dist. Ahmednagar (Maharashtra-India).

And

**Tata Technologies Inc.**, (hereinafter referred to as "**Tata Technologies**") is a company incorporated under the laws of State of Michigan, USA having its registered office at 6001 Cass Avenue, Suite 600, Detroit, MI 48202, USA.

In course of this MOU, both the parties to the MOU mentioned above have been individually referred to as "Party" and jointly as "Parties".

**WHEREAS** Tata Technologies has identified the need for enabling quality training in the "Product Development" domain to Engineering Students across the engineering colleges in the country. The main intent behind this initiative is to better equip young engineers and to increase their awareness and industry connect. Through its proprietary learning management system, I GET IT Tata technologies will provide industry leading software trainings which will be offered to students and educators on a subsidized price.

**AND WHEREAS**, Amrutvahini College of Engineering strives collaborative efforts by academic institutions and industries for the welfare of engineering students. The noble cause of nation-building encourages academic institutions to establish an understanding with neighboring industries and institutions of excellence with viable collaborative efforts/project consultancy basis and with established specific time frames and well-defined outcomes. The collaboration could be in the areas of credit transfer, projects of students as well as faculties; joint sponsored projects from different funding agencies as well as joint consultancy works with sound revenue-sharing models, joint publications and faculty and staff development programs, etc.

**AND WHEREAS**, both the parties have expressed a common interest in providing industry-relevant training to the engineers, enhancing their awareness, expanding their industry connect, and, in the process, increasing their employability.

In exchange for mutual consideration, the Parties intend to enter this MOU to provide a framework as per the below terms and conditions to evaluate the area of collaboration between them and establish certain rights and obligations between the Parties during such evaluation.

#### **Terms and Conditions**

1. Through the EngAge campus program, students will receive training as specified in the proposal agreed with the college.
2. Students will get a chance to interact with Industry experts of Tata Technologies through guest lectures.

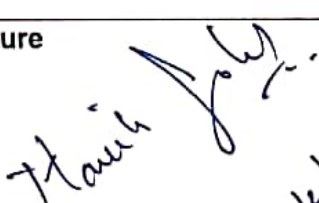

3. Selected TE/BE students may get project-based exposure where they will get a chance to work on an engineering project with Tata Technologies.
4. Tata Technologies' specialists have created e-learning courses hosted on i GET IT ([www.myigetit.com](http://www.myigetit.com)) Which will be available for purchase to engineering students of **PARTY 1**.
5. All fees payable to Tata Technologies are exclusive of any sales, use, value added tax, service taxes, withholding tax or taxes of a similar nature and where such taxes are applicable, **PARTY 1** shall be responsible to pay or reimburse Tata Technologies the amount of such taxes. Commercial terms mentioned in Tata Technologies' proposal shall supersede and prevail over any inconsistent terms mentioned in the MOU.
6. Under this joint program **PARTY 1** will get 1 free admin login of the i GET IT platform for Faculty & the delivery of the program shall be as per the scope defined in Tata Technologies' proposal & shall be mutually agreed.
7. i GET IT will assess the students to evaluate the students' performance to provide the certification and Tata Technologies may provide internships based on students' performance in the assessment.
8. Tata Technologies may give the opportunity to the qualified students (who also fulfil the selection criteria set out by HR, Tata Technologies) to attend campus interviews however subjected to the recruitments plan/policy of the company.
9. This Memorandum of Understanding (MoU) has a three-year duration, with the condition that it will terminate if payment for Year 2 is not received by the end of Year 1, and this pattern continues for subsequent years.
10. **Confidentiality Obligations:** **PARTY 1** shall ensure that all proprietary information (including but not limited to technical, business, and commercial information including pricing) disclosed by Tata Technologies, whether to **PARTY 1** or its students or any other person, in the course of discussions and training under this MOU, be kept strictly confidential during the term and after the termination of the MoU. **PARTY 1** shall not disclose such information to any third parties without the prior written consent of Tata Technologies. **PARTY 1** shall not use Tata Technologies' name, trademarks, branding/marketing material or make any reference to the MOU or i GET IT in any manner of publicity without Tata Technologies' prior written consent.
11. **PARTY 1** acknowledges and agrees that users of i GET IT shall be bound by the applicable End-User License terms.
12. Nothing herein shall be construed to be a transfer or licensing of Tata Technologies' intellectual property. Tata Technologies continues to retain the absolute ownership of its intellectual property including but not limited to i GET IT.

13. Neither Party shall be liable to the other for any special, indirect, incidental, consequential, exemplary, or punitive damages, loss of profit or business whether in contract, tort or other theories of law, even if such other Party has been advised of the possibility of such damages. The total cumulative liability of either Party arising from or relating to this MOU shall not exceed USD 50. Notwithstanding the foregoing, this limitation shall not apply to PARTY 1's confidentiality obligations.
14. PARTY 1 is aware that the business activities of Tata Technologies are self-regulated by the "Tata Code of Conduct" which is incorporated by reference herein. It can be accessed and downloaded from <http://www.tatatechnologies.com>.
15. This MOU is effective from the date of the Party signing last and will remain valid for a period of one year and shall be automatically renewed unless terminated by either Party, upon thirty (30) days written notice before such renewal.
16. It is also agreed upon that the MOU does not restrict Tata Technologies to implement i GET IT program in other universities/institutes.
17. The terms of the MoU shall be legally binding and enforceable by each Party.
18. This MOU shall be construed, and the legal relations between the Parties hereto shall be determined, in accordance with the substantive laws of India, without giving regard to conflict of law principles. The parties shall refer their disputes to the exclusive jurisdiction of the Courts at Pune, India.

The Parties have caused their respective duly authorized representatives to execute and deliver this Agreement on the date mentioned hereinabove.

Respected Mam,

Greetings From Amrutvahini College of Engineering Sangamner!!

As per our previous conversation & number of rounds of discussions now we have finalised List of Students & Purchase order. Here with Email I am sending you a purchase order & list of the Admin, Faculties & Students. 1 Admin, 4 Faculties & 94 Students List is Attached.

Now for the first year We have finalized a total of 94 students (56 for MCAD/PLM Module & 38 for EV Module).

So, for the First Year we are paying for 94 students, from the second year onwards we should convenience at least 100 students to participate in the program.

We have to Sign MoU as per your proposal at earliest.

We hope better collaboration with the most trusted brand of the world in the future.
