## **Conclusion Report of Consultancy Service**

### **Objectives:**

1. To develop and enhance competencies of MBA students
2. To apply management knowledge

### **Planning:**

Considering MBA dept. track record to provide consultancy to market firms, LEENA Agro Industries (India) Pvt. Ltd., Sangamner approached us in month of Feb' 2019. After rounds of discussions and consensus, MoU was signed. The survey aimed at collecting data of small commercial vehicles operating in RTO MH-17 area comprising 07 tehsil. A structured questionnaire was finalized and data to be collected with disguised manner.

### **Outcome:**

Data was collected during month of March 2019 with the involvement of 22 students. Total 1667 questionnaires were filled and out of that 1620 forms were authorized. In total students have travelled 2867 k.m. across 07 tehsils. A Google form was designed by coordinators and data filled online. This data given to consultancy party for their further action.

### **Outcome for students:**

1. Students developed survey designing skills.
2. It was observed that students have gained in confidence and communication skills.
3. Students experienced a real time work of market.
4. They also interacted with industry experts from TATA Motors and Leena Automotive.
