### Scoring Rubrics for Assessment of Laboratory Session

#### Laboratory Record (RCV Conduction)

Laboratory sessions are conducted for courses as specified by SPPU University. Laboratory sessions are evaluated by respective Lab Instructor and record of the same is maintained in Laboratory Record Book. The laboratory session conduction process is given below with scoring rubrics for evaluation.

#### The rubrics for assessment of laboratory session-

Parameters Allocated	Total Marks	High	Medium	Low
Record (R)	5	The record was thoroughly completed and submitted in the lab session	The record was submitted with minor/major corrections in the lab session	The record was completed thoroughly and submitted in the next lab session
		5	4/3	2
Conduction (C)	5	Completed the experiment properly by implementing the given circuit/program and executed with expected output in the lab session	Attempted the experiment by implementing the given circuit/program partially in the lab session	Attempted the experiment but didn't succeed in getting partial results
		5	4/3	2/1
Viva (V)	5	Student answered all the viva voce questions	Student answered only a few viva-voce questions	Student did not answer any viva voce question
		5	4/3	2/1
