Amazing features to make your reading easier

Offline Reading

KopyKitab eReader lets you read your ebooks offline anytime and anywhere you want to. Enjoy the flexibility of reading on the go without having to carry your books everywhere.

Highlight Important Points

Preparing for Exams? KopyKitab eReader can be your perfect companion. Highlight important definitions, formulas etc. and read them anytime without having to flip around 100 of pages and bookmarks.

Print Your Notes

Even better now you can make a booklet of all the important notes/highlights that you have made and carry them around to school/college etc. Your revision list is now automated.

Any Device Any Time

Read on a bigger screen or read using your mobile phone while travelling in the Metro we got you covered. Install our android app or desktop app and read Anytime,Anywhere.
