Ward No. 10 of Prabhad No.3- Swapnanagari Colony - Wadje Mala, part of Vidyanagar, East to Janata Raja Ground, behind Meher School.

Total 61 students participated = 29 from 1st Year and 32 from 2nd year.

2. Prof. V.V. Satav

5. Prof. N.P. Shah
6. Mr. T.M. Kadlag (T.A.)

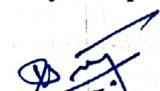

The drive was conducted in four lanes of the area where ten bags of garbage was collected & disposed in garbage collecting vehicle of municipality.

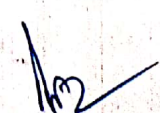

The students also educated the residents of sixty three houses in area about segregation of dry & wet garbage & its disposal, not to use carry bags, plastic & e-waste, sources of environmental pollution & ways to minimize it, Rain water harvesting as a way for water conservation. The residents have appreciated this initiative.

The residents also raise their concern through feedback that garbage collecting vehicle does not come regularly, the vehicle must have specific timing for a area and strict implementation of plastic carry bags ban by municipality to be done.

The students & faculties appreciated the cleanliness drive as we all think that we owe to the society & need to repay through the activities like this. Thank you for giving us an opportunity.

Kindly accept and acknowledge the same.
