SPPU NSS World AIDS Awareness Week activity REPORT-2020

World AIDS Day on 1 December brings together people from around the world to raise awareness about HIV/AIDS and demonstrate international solidarity in the face of the pandemic.

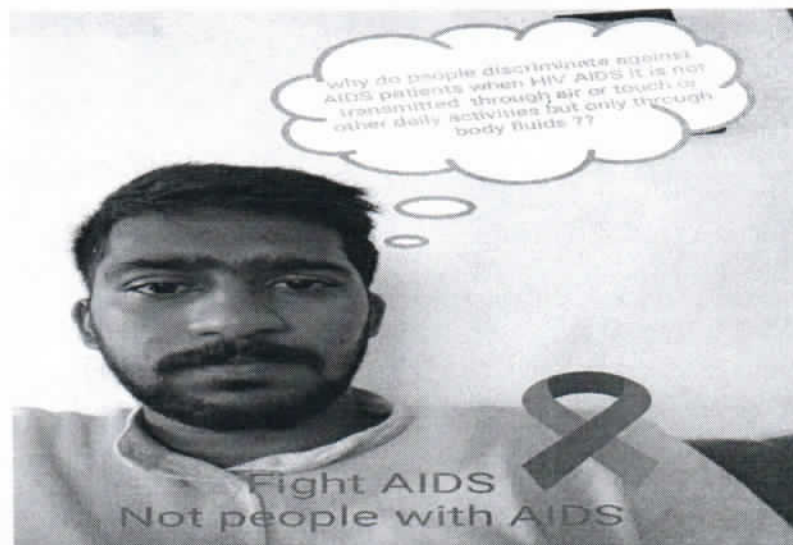

Objectives: Bring attention to the HIV epidemic, endeavor to increase HIV awareness and knowledge, speak out against HIV stigma, and call for an increased response to move toward.

On account of World AIDS Day, in this year also, we have organised the competitions such as 1 minute promotional video on social media, GIF/meme competition and selfie with slogan. The duration of this competition was from 1/12/2020 to 15/12/2020. Total number of participated students were 80.
