*****TO WHOM SO EVER IT MAY CONCERN*****

Mr. Ankush balaji Hande had been working for us as Jr. Engineer in "K P INFRA" from December 2017.

During his tenure he worked satisfactory with great initiative. We found him be sincere, truthful, reliable, sociable. He was also a pleasant person to talk and work within a team.

He has knowledge of RCC work, BBM & Plaster work, finishing work.

His decision to leave our organization was his sole decision; however we still hope he will succeed in any path of career.

We wish best luck for his future career.
