**Amrutvahini College of Engineering, Sangamner**  
**'MEDHA' Cultural Festival Report**

'MEDHA' provides an opportunity to the enthusiastic youth to showcase their hidden talents & skills. More than 10,000 students and nearly double number of parents whole heartedly enjoy this festival every year. MEDHA connotes intelligence. This is perhaps the second largest cultural festival in the state, the first being The Malhar Festival, Mumbai. The thought of organising such a grand festival on Amrutvahini was conceptualised by Rajwardhan Thorat; and it was successfully materialised by the Sanstha under the guidance of Mrs. Sharayu Deshmukh - Trustee of the Institution.

'MEDHA' provides an opportunity to the enthusiastic youth to showcase their hidden talents & skills. From tiny tots learning in pre-nursery classes to students preparing for their post-graduation and even doctorate participate in the fest enthusiastically. The management, staff & students of Amrutvahini leave no stone unturned to make this fest grand and splendid in every way.

The whole period of 'MEDHA' fest is a unique opportunity for students to enjoy and demonstrate their skills and abilities. 'MEDHA' gives such opportunities to tap one's potential and talents. It is not restricted only to our cultural talents. It gives us an exposure to reveal our talents in sports, literature and painting, too. Also, 'MEDHA' arranges inspirational and motivational series of lectures by eminent scholars, academicians, scientists, entrepreneurs and administrators. These lectures help the youth to dream big and strive hard to bring those dreams into reality. The cultural aspect of this fest not only provides entertainment and enjoyment but also increases one's hunger to succeed. This fest helps the youth to shake off mediocrity and become the person one has always wanted to be. It helps everyone to spell success in life.

## Amrut Cultural Fest 2K16

Academic Year- 2015-16

Dt. 10/08/2015

Following committees are formed to conduct "AMRUT FEST" mega event organized on 17<sup>th</sup> Jan 2016.
