

6.1.1: The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Vision and Mission statement of the institute were incarnated by the then Principal AVCOE, Sangamner along with all staff member in 1999.

Following things were considered while preparation of the Institute Vision and Mission Statement.

- Socio-economical Condition and Low level of literacy rate/technical skill in the rural area.
- Need for upliftment to improve living standards in deprived rural panorama.
- Deliberation with board of trustees in presence of Academic and Industrial experts.
- Inputs from other stakeholders

Vision

To create opportunities for rural students to become able engineers and technocrats through continual excellence in Engineering Education.

Mission

Our mission is to create self-disciplined, physically fit, mentally robust, and morally strong engineers and technocrats with high degree of integrity and sense of purpose who are capable to meet challenges of ever advancing technology for the benefit of mankind and nature.

We the management, the faculty, and staff therefore promise to strive hard and commit ourselves to achieve this objective through a continuous process of learning and appreciation of needs of time.

Quality Policy

The Amrutvahini College of Engineering is committed to develop in young minds the state-of-the art technology and high academic ambiance by synergistic spiritual values and technological competence continually, in a learning environment.

Quality Objectives

- To strive hard for academic excellence & synergizing spiritual & moral values.
- To improve overall development of student.
- To enhance industry-institute interaction.
- To provide assistance for placement & entrepreneurship development.
- To promote and encourage R&D activities.

Nature of Governance

The top management including (Board of Trustees, Governing Council, College Development Committee, Chief Executive, and Manager of the Sanstha), Principal and faculty focus on institutional goals as follows -

- Top management directs Principal focusing on vision and mission of the institution.

- The Principal consistently follows top management policies to achieve the vision with the support of staff.
- Principal, Vice Principal, IQAC Director, Deans, Registrar and Head of Departments come together to form different committees to provide “decentralized administration” to achieve institution’s objectives and goals put forth.
- The institution is committed to follow quality framework defined by ISO 9001:2015 with the support of IQAC.

The management provides all facilities for smooth conduct of all activities to fulfill quality objectives. Throughout academic semester following things provide way for making the next action plans.

- Student-tutor meetings,
- Students Council meetings,
- Results of in-semester and end-semester examinations,
- Stakeholder Feedback
- Sending attendance and results to parents
- Interactions of Principal and H.O.Ds with students in classrooms.

Formulation of action plans for all operations and incorporation of the same into the institutional strategic plan:

The institution plans well in advance through all departments including:

Financial Planning: Budget required in academic year as per perspective plan.

It includes purchase of resources, software as per new syllabus or faculty recruitment in case of increase in intake. It also includes fulfillment of resources (man, machine, software etc.) as per new syllabus and increase in intake.

Academic Planning: Semester wise academic calendar which includes all curricular, co-curricular, extracurricular activities by following University academic calendar.

Interaction with stakeholders

- The institute has developed healthy relationship with its stakeholders namely, students, parents, alumni, industry and society.
- Regular alumni meets are organized to have dialogue between present students and pass out students. It fulfills two objectives. Our alumni help and provide platform for

placements. Secondly, they play inspirational role for present students.

- We also organize Parents Meet. The face to face dialogues between faculty and parents help to troubleshoot queries regarding our students. It also helps to know parents expectations from the institution.
- We invite industry experts to conduct lecture series and workshops. It helps to know current trends and requirements of industry.
- The social programs such as NSS camps, blood donation camps and computer awareness programs, social work are organized by institute to serve society.
- Quiz, debates, aptitude tests are organized for students through various departments between 4.00 pm- 4.30 pm periods throughout week.

Proper support for policy and planning through need analysis, research inputs and consultations with the stakeholders

- The analysis of students, parents, alumni feedback and result analysis provide the platform for next action plan.
- The cross departmental checking of academic records is done at the beginning of every semester and an ISO audit is conducted at end of semester.

Reinforcing the culture of excellence

- To strive for excellence the students as well as faculty are motivated for participation in seminars, workshops, STTPs in various institutes, NITs and IITs.
- The Savitribai Phule Pune University appreciated the institute efforts by conferring:
 - Best College Award (Two)
 - Best Principal Award (one)
 - Best Teacher Award (one)
- Lady Engineer Awards (Three)
- Awards from institution of Engineers (two)
- Awards from Computer Society of India (Two)
