- A waking the rural people about sanitation use and sanitary block.
- Innovate cost effective and appropriate technologies for ecologically safe and sustainable sanitation and encouraging.
- Help the economical low people for the proper use of sanitation.
-

3. The Context

Following the Prime Minister's clarion call on 2nd October 2014 for each individual to devote at least 100 hours to Swachhata through the year, the Ministry of Human Resource Development in association with the Ministry of Drinking Water and Sanitation has launched the 'Swachh Bharat Summer Internship – 100 Hours of Swachhata'.

100 hours (between 1st May to 31st July 2018)

4. The Practice:

- Candidates to enroll for the internship through the website.
- Candidates will be accepted as valid only once approved by the Nodal Officer at the Parent Institution.
- Candidates may equip themselves with further knowledge about the Swachh Bharat Mission by visiting

<https://tinyurl.com/sbmgramin>

<https://tinyurl.com/sbmice>

<https://tinyurl.com/sbmice2>

<https://sbmgramin.wordpress.com>

<https://twitter.com/swachhbharat>

<https://facebook.com/sbmgramin>

- Candidates to devote at least 100 hours conducting Swachhata-related activities in rural areas selected by them and approved by the parent institution.
- An Internship Report to be submitted by the candidate on the online portal in the prescribed format within 15 days of completion of fieldwork. (Output Indicator)
- The online report submitted by the candidate shall be reviewed and approved by the Nodal Officer for the purpose of certification and rewards.

5. Evidence of success:

Detail report is available with the department.

6. Problem encountered and resources required

- It was difficult for students to manage college and internship hours of working
- Permission to work in villages took long time for approval
- Students worked for 100 hrs whatever conditions may come.

A handwritten signature in black ink, likely of the Head of the Department, is written above the printed name.
