Subject:- Regarding approval of sponsorship for Baja competition 2016

Through:- Head of the Department (Mechanical Engineering)

Respected Sir,

Sir, We are very much thankful to the management of Amrutvahini for providing fund to the previous year for Baja competition organized by SAE India. In this year, we are looking forward for this year also. Our Virtual round was held on 8th and 9th July 2015 at Chitkara University, Chandigarh, Punjab and we have successfully qualified for the next dynamic round. So in this year, we are looking forward for this competition and achieve more success than previous attempt.

Total cost of our vehicle (including registration, transportation and manufacturing) is Rs.4,19,000/-. As student of college we need your financial assistance for the manufacturing of vehicle along with this application.

Please consider our plea and help us regarding financial issue and sponsor our team.

Thanking you.

Allowed to give Rs. 70,000/- only.
