Subject: Regarding College Sponsorship for Experimental test rig.

Respected Sir,

We are the students of final year Mechanical Engineering. Currently we are working on final year project (cooling tower test rig).

Sir in the Syllabus of seventh semester, we have HV AC, Due to Unavailability of Experimental setup, we are performed it as a study practical. so now we are fabricating that Experimental setup as our final year project and ready to kept at our college RAC Lab. This project will help students to perform practical. For the fabrication of this Experimental test rig overall cost comes around Rs. 40,000 to 43,000.

So for Effective fabrication of this test rig we need the financial help. We are requesting you to provide financial Support.

R/Sir,

This test rig will be helpful for BE (Mech) HVACR Subject. As one experiment is on cooling tower, so, you are requested to consider and give some financial help to manufacture the test rig.

Your's sincerely
