Sub: Regarding sponsorship from college for TIFAN 2020 competition.

Sir,
We are the Team Mavericks from mechanical department participating in SAE-OHB organized TIFAN 2020 competition. In this competition we have to design, fabricate and compete with 'Self Propelled Onion Harvester'. TIFAN 2018 & TIFAN 2019 event brought a glorious experience for us. Our Harvester got appreciation in every aspect. We were the first team to qualify all the rounds in the very first attempt without any hurdles in both events. As a result we have achieved,

TIFAN 2018 :-

All India Rank :- 1st

Best Design Award

Best Innovation Award

Best Productivity Award

TIFAN 2019:-

All India Rank :- 1st

Best Design Award

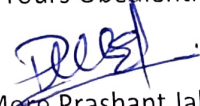

This success is achieved due to the immense help of college workshop, valuable guidance from all the faculties and most important is due to the financial support from management. This time everyone is hoping for best solution from our side. This will be possible with the help of college as previous one. We have already started manufacturing of new harvester. For this we need materials and various machining operations. Therefore we required financial help from college.

We have calculated on approximate basis of total expenditure Rs. 4,48,800 /-. We are expecting Rs. 2,55,500 /- from college. The details of expenditure are attached below.

So considering above plea we are requesting you to please provide us a financial help as early as possible.

Thanking you!

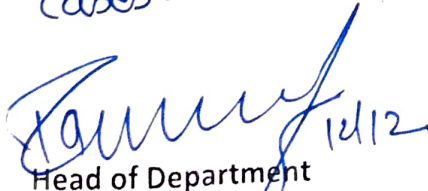

Yours Obediently,

More Prashant Jalindar
(Team Captain)

- Pls Sir,
- Team Mavericks has done wonderful job in 2018 & 19 competition & have own national championship.
