Department of Computer Engineering in association with ISTE organized interaction of Alumni Mr. Paras Waykole & Mr. Rajat Patil. Smart India Hackathon is nice initiative taken by AICTE to find solution for many social & real-life problem using technology.

In SIH-2018 conducted at Delhi, our team headed by Mr. Paras Waykole won second prize of Rs.50, 000/-.

To encourage our students to prepare for SIH-2019, we organized this interaction so that students can ask their queries & even they can share all experiences, difficulties which they faced during this competition.

- Snaps taken during interaction -

Following topics were discussed during this session:

1. How to apply for SIH?
2. He discussed about SIH android app.
3. Differences between H/W & S/W category of hackathon.
4. Evaluation process @Nodal centers.
5. Team formation etc.

Students were really happy at the end of session as they got guidance from our own winning team.
