

**Amrutvahini College of Engineering,
- Sangamner -**

Department of Electronics Engineering

- Organizes -

Workshop

on

“CLP Advanced Programming in C”

During 4th Sept. 2019 to 22nd Oct. 2019

- Targeted Audience -

SE, TE & BE Electronics Students

• Resource Person •

Prof. Dipak Mhaske

Certified Instructor, CISCO Networking Academy & Asst. Professor, AVCOE, Sangamner

Session Objectives:

- To provide complete knowledge of C language.
- Advance structured and procedural programming understating and to improve C programming skills.
- To provide students with understanding of code organization and functional hierarchical decomposition with using complex data types.

Session Outcomes:

On successful completion of this course, student will be able to:

1. Develop logics which will help them to create programs, applications in C.
2. Define and manage data structures based on problem subject domain.
3. Switch over to any other language in future.
4. Understanding a concept of object thinking within the framework of functional model.
5. Understanding a defensive programming concept. Ability to handle possible errors during program execution.

Subject: Report of "CLP - Advanced Programming in C"

Respected Sir,

Electronics Department conducted Workshop on "CLP - Advanced Programming in C" for SE, TE & BE students of Electronics Engineering during 4th September to 22th October 2019. It is organized by Electronics Department. We are herewith submitting the report for the same.

Name of Resource Person : Er. Dipak Mhaske,
Certified Instructor, Cisco, Networking Academy
& Assistant Professor, Electronics Engg.
AVCOE, Sangamner

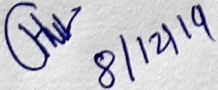

Subject : CLP - Advanced Programming in C

Targeted students : SE, TE & BE students of Electronics Engineering.

Number of Students : 103

This is for your kind information

Thanking you

(Er. S. S. Gundal)
Head of Department
