Social Activity Details - September, 2015-2016

Date: 22/09/2015

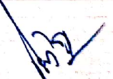

Students of MBA performed social activity in Sangamner city (during 5th Sept to 7th Sept.) to counsel, encourage and to take feedback from households in their respective area under allotted faculty instructions. The activity aimed in spreading awareness regarding harm in using plastic carry bags, usefulness of water conservation, rain water harvesting, wet & dry garbage, etc.
