(Coordinator, Social Activity, MBA)**

**DEPARTMENT OF MANAGEMENT AND BUSINESS ADMINISTRATION,
AMRUTVAHINI COLLEGE OF ENGINEERING
SANGAMNER – 422608**

OBJECTIVES

The objective under Swacch Bharat Mission is to promote on-site processing of the waste to reduce external dependency for processing the waste.

The project was carried out in Sangamner city with the following objectives

- 1) To find Ward wise and location wise gardens in city.
- 2) To check gardens whether has on-site composting facility within its boundary.

Scope

The survey project was carried out with the aim to provide feedback to the Sangamner Municipal Council regarding the status of gardens in city about their own on-site composting facility.

The survey report may help the Sangamner Municipal Council to showcase the work done under 'Swachh Survekshan-2018'.

The report is only for the informative and reference purpose for Municipal body.

Survey Approach

To conduct this survey 03 students from Department of MBA were selected and were given the guidance regarding Park/Gardens Composting. They went across the city and find out Park/Gardens Composting measures adopted. After confirming the students prepared a report.

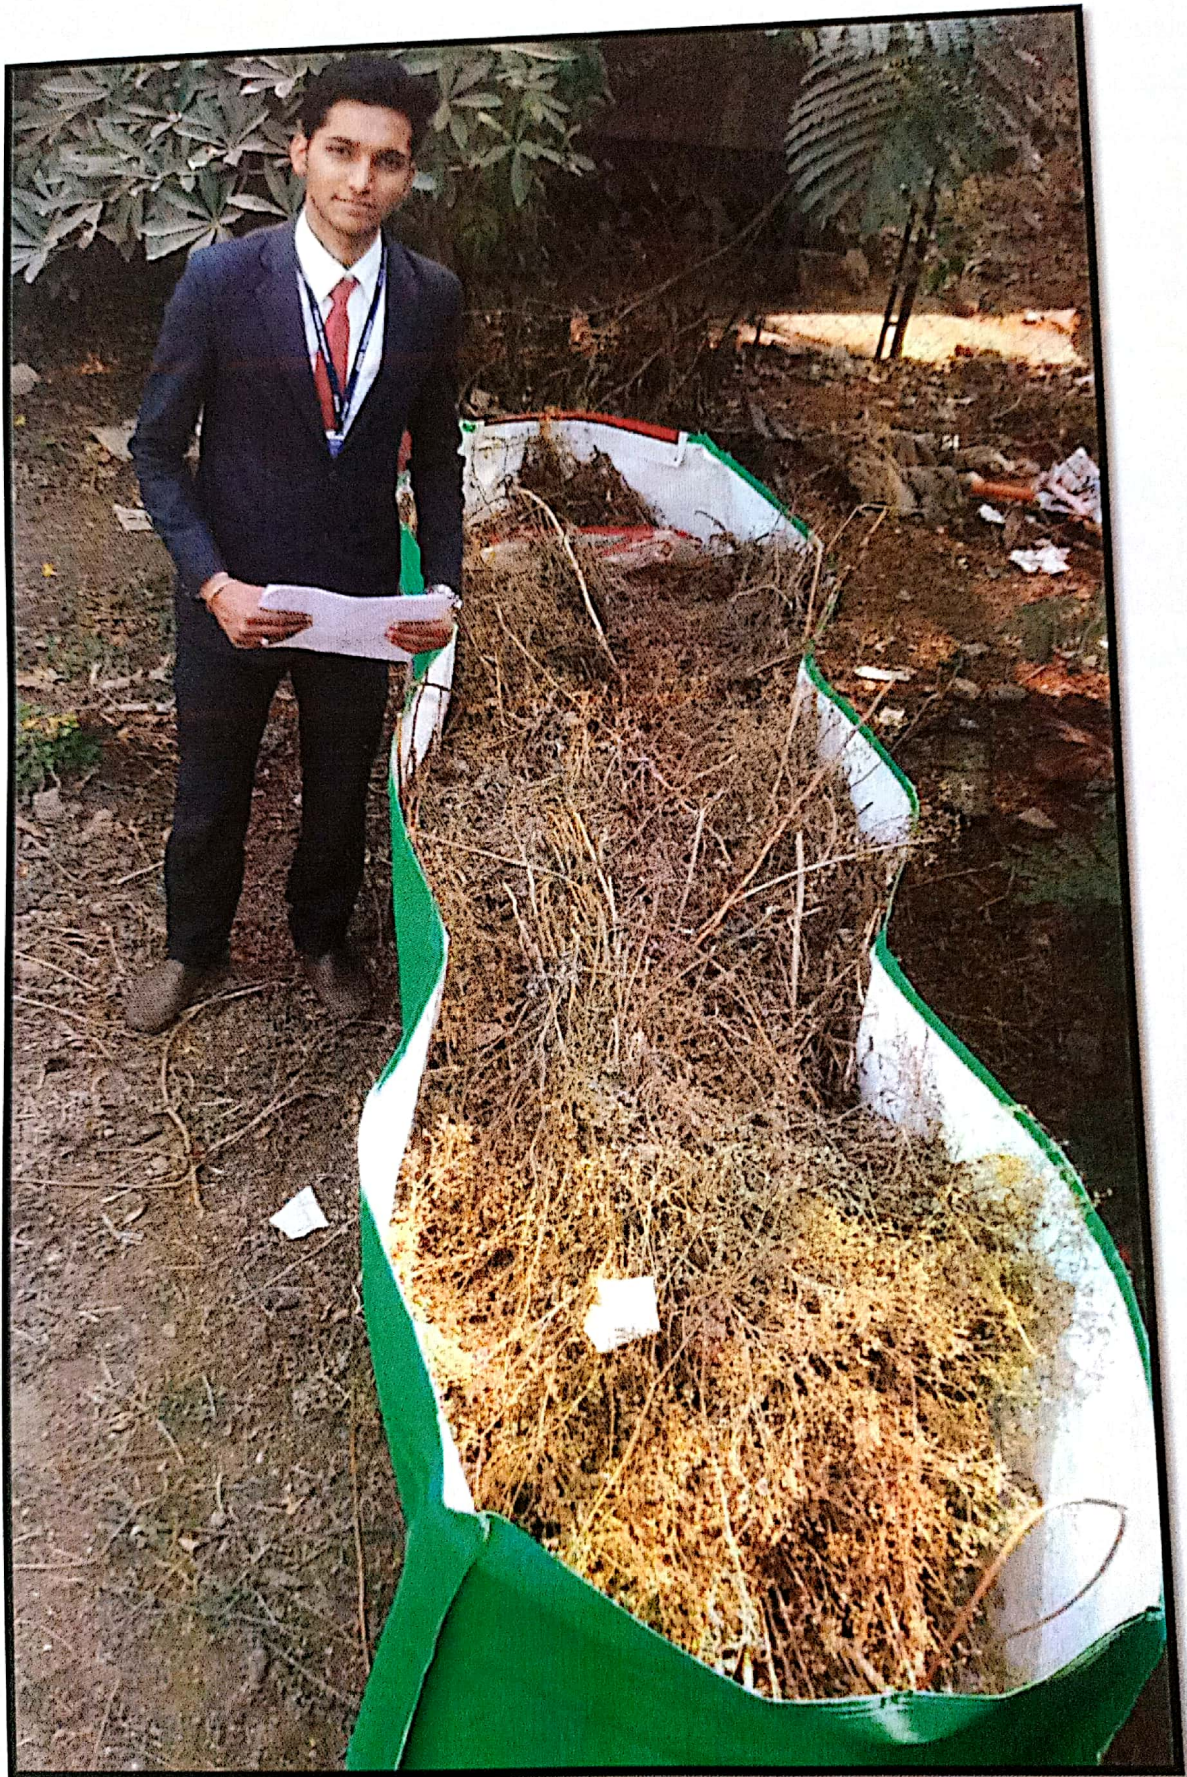

DATA ANALYSIS AND INTERPRETATION

Following is the table showing Ward wise gardens and status regarding their on-site composting facility under Municipal Corporation.

Sr. No.	Ward No.	Name of all the city parks/gardens	Location of the Park/Landmark	Does the Park carry out on-site composting within its boundary
1	2	Ganesh garden	Ganeshnagar	Yes
2	2	Govind garden	Ganeshnagar	Yes
3	3	Orange Corner garden	Nasik Road	Yes
4	4	Madhuban garden	Madhuban colony	Yes
5	4	Gulab garden	Maldad Road	Yes
6	6	Abdul Kalam garden	JamJam Colony	Yes
7	7	Renghe garden	Meher mala	Yes
8	7	Nananani garden	Meher mala	Yes
9	7	Tulsi garden	Meher mala	Yes
10	8	Savitribai garden	Janta nagar	Yes
11	9	Sayajirao Gaikawad garden	Devacha Mala	Yes
12	9	Nehru garden	In front of Tahsil office	Yes
13	10	Saint tukaram garden	Kathe mala	Yes
14	10	Rani Laxmibai garden	Akole naka	Yes

Orange Corner Garden, Nashik road

Madhuban Garden, Madhuban Colony

Meher mala

Renghe garden, Meher mala

FINDING

- 1) Total 14 Parks/gardens visited in city.
- 2) It was found that in all gardens it has on-site composting facility.

SUGGESTIONS

- 1) The municipality should continue with on-site composting facility in parks and gardens.

Respected Sir,

On behalf of Department of MBA, Amrutvahini College of Engineering, Sangamner, we are grateful to you for giving us an opportunity to be associated with Sangamner Municipal Corporation. With your request with above reference under 'Swacch Surveysahn 2018', our students prepared a report on 'Study of gardens on-site composting facility in Sangamner city'. We are also thankful to your staff for extending support and help whenever required.

Kindly accept and acknowledge the same.

It will be our pleasure to serve Municipal Corporation in future whenever required.

Thanking You.
