REPORT ON: PERSONALITY DEVELOPMENT PROGRAM

The program titled '**Guest lecture for Girl Students and Ladies staff members**' was organized in the college on 17th February 2017, sponsored by Board of student welfare, Savitribai Phule Pune University, Pune. The program was conducted in two sessions. For these sessions two different Personalities were invited as a resource person. They are experts in their field and working for society. Session was taken by **Dr. Archana Mali and she has delivered lecture on Women Health**. The sessions were most participative where maximum girls were taken initiative for Engineering Career for nation lecture. Total **230** students and ladies staff members were present for the program. All the sessions were interactive and full of knowledge which helps our students to develop their personality in all means. We are very much thankful to for giving us Board of student welfare, Savitribai Phule Pune University, Pune permission to conduct such a Program.
