Report of Aptitude test conducted under ISTE student chapter

Date: 19.7.18

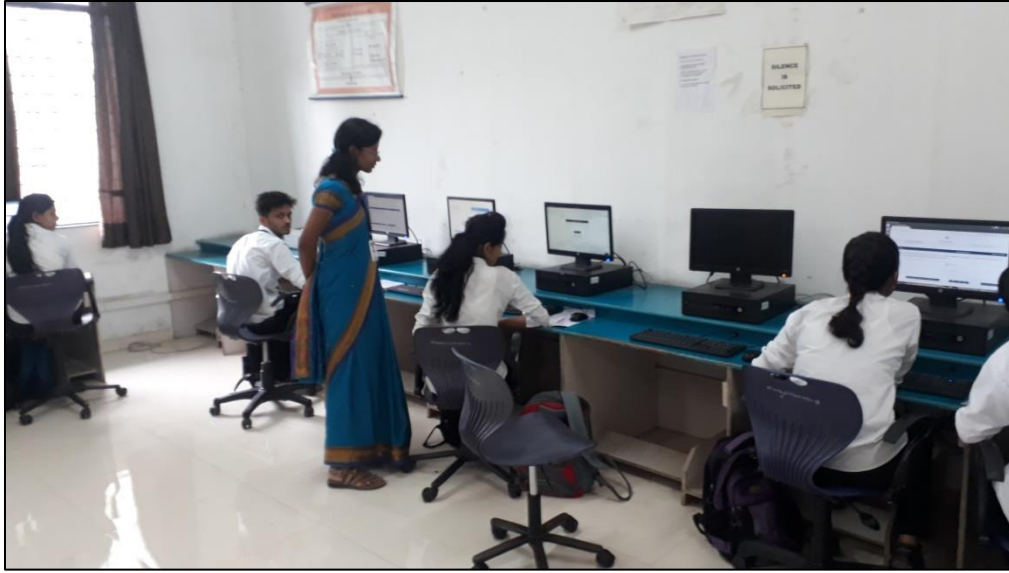

Time: 4.00pm

As a first activity of ISTE student chapter for academic year 2018-19, department of Computer Engineering conducted aptitude test for ISTE student members. Total 133 students attempted this test. This test was conducted online on **myExamo portal**. Test was of 30 marks, for half an hour. There was no negative marking. Every student got different 30 questions from question bank of 4000 aptitude questions.

Aim of conducting such test was to help students to increase numerical & problem solving ability. Final year students are motivated to prepare for aptitude test from company placement point of view.

We had following winners for this test:

1. Mr. Abhishek Wakchaure (BE-B)
2. Mr. Saurabh Kondhekar (BE-B)

First prize given was Rs.500/- & second prize was of Rs.300/-. Mr. Shivkumar, Vice president ISTE student chapter coordinated this event.
