Subject: Guest Lecture on “Solar Nano System”

Respected Sir,

Electrical Department conducted Guest Lecture on “Solar Nano System” for SE, TE, BE Electrical students on 25/01/2018 .It is organized by Mr. Pathare A. A. We are herewith submitting the report for the same.

Name of speaker : Mr. Toshima Dung

Subject : Solar Nano System

Targeted students : SE, TE, BE

Total students : 180

This is for your kind information

Thanking you

(Mr. A.A.Pathare)
Guest Lecture Coordinator

(Mr.S.S.Kadlag)
Head of Department

A Guest Lecture by Mr. Toshima Dung on “**Solar Nano System**” was delivered on **25th Jan 2018** for the students of **S.E. TE. BE Electrical Engineering** Students.

He initiated his first lecture session with the slogan "Nano Technology and its Importance".

The session went on by addressing the various areas like:

1. highly conductive, low-cost aluminum foil
2. CIGS ink with pre-defined ratio
3. Novel Metal-Wrap-Through (MWT)
4. Thin/printed transparent top electrode

The lecture has proven to be very inspiring and informative for the students. The valuable exposure presented by Guest will help the students to achieve their highest watermark in the domain.

Subject: Conduction report of guest lecture on "Science and Spirituality" on 15/02/2020 for TE and BE E&TC graduates

Respected Sir,

The Department of Electronics and Telecommunication Engineering of Amrutvahini College of Engineering regularly organizes Workshops/STTP's/Guest/Expert Lectures/National level Seminars,...etc throughout the academic year to enrich employability skills in students. The Department has conducted an guest lecture on on "Science and Spirituality" on 15/02/2020.

The lecture was delivered by Brahma Kumar Dr. Rakhi (World Spiritual University). She delivered a lecture on key topic "Science and Spirituality", briefing the relationship between science and spirituality and importance of both in human life. Her lecture was motivating and truly received by our students. This lecture was conducted under IEEE SIGHT student's branch chapter.

Thanking you,

Yours faithfully,

Dr. R. P. Labade
Head, Dept. of E&TC

Subject: Invitation for delivering an expert lecture on "Science and Spirituality" on 15/02/2020 for TE and BE E&TC graduates under IEEE SIGHT students branch chapter.

Respected Madam,

Greetings from Amrutvahini College of Engineering, Sangamner!

Amrutvahini College of Engineering, Sangamner is one of the well-known institutes affiliated to Savitribai Phule Pune University, Pune. The Department of Electronics and Telecommunication regularly organizes Workshops/STTP's/Guest Lectures/National level Seminars, etc. throughout the academic year to enrich the various graduate attributes of the students.

It gives us an immense pleasure to invite you for delivering an expert lecture on "Science and Spirituality" for TE and BE E&TC graduates. The objective of this lecture is to identify the relationship between science and spirituality and know the importance of both science and spirituality in life.

We are very much sure that this lecture will definitely create an interest amongst the students and provide new dimensions for lifelong learning. We shall be much obliged to you, if you kindly accept the invitation.

Thanking you,

Regards,

Dr. R. P. Labade

SUBJECT: Expression of Gratitude

Respected Sir,

We sincerely wish to thank you for readily accepting our invitation and delivering an guest lecture on "Science and Spirituality" on 15/02/2020 for our TE and BE E&TC graduates.

Your guest lecture on "Science and Spirituality" was well received by our students. The valuable input based on your experience will highly benefit our students. This guest lecture in its true sense will definitely help our students in bridging the gap between science and spirituality in their lifelong learning.

We thank you for sparing your valuable time to guide us for this event and we look forward the same favorable support in future.

Thank you once again.

EXPERIENCE SUMMARY

Working as **Electrical Architect/Product Designer at Philips India LTD** Pune since July 2012

Worked at Rayence,South Korea as Assistant Manager (Hardware Design) for about 4 years

Worked at Siemens Information Systems Ltd Bangalore and Radox etc

Over 16 years of experience in end-to-end electronics product/hardware design and development

- DSP,FPGA,ASIC and Microcontroller based digital and mixed signal hardware design
- Experience in high speed board design with DDR2 memory, Gigabit Ethernet, PCI Express,LVDS,Wifi and SATA
- Experience in Data acquisition circuit & analog front end design for Medical Imaging with ADC,DAC,Opamp etc
- Experience in Power supply design for DSP/FPGA/MCU and analog circuits
- Experience in EMC compliant circuit design, testing and CE/FDA complaint device design
- Over 13 years of experience in Medical device hardware design
- Good knowledge and experience in Schematic capture tools.
- Experience in complete Hardware Development from requirement analysis, component selection, design, PCB layout verification, system testing and EMC testing.
- Experience in Regulatory testing
- Experience in Reliability

Major Achievements/Projects

Designed and architected multiple medical products for global markets

- Architected X-Ray system for Global Markets
- Designed and Architected Medical X-Ray detectors (Gigabit Ethernet and Wireless based) for Global Markets
- Designed Collimator controllers and stepper motor drivers for X-Ray Systems
- Designed Clinical Chemistry Analyzer for Global Markets
- Designed Instrument clusters
- Designed X-Ray Image Processor
- Designed test jigs for consumer electronics product testing and managers

EDUCATIONAL QUALIFICATION

Master of Technology (M.Tech) in Biomedical Engineering with Distinction from Manipal Institute of Technology (MAHE,Manipal)

Bachelor of Engineering (B.E) in Electronics and Communication Engineering with First Class from Sri Ramakrishna Engineering College,Coimbatore (Bharathiar University)

TECHNICAL SKILLS

Languages	: C, MATLAB, VHDL
DSP	: TMS320C64xx, TMS320C62xx/67xx, TMS320C50, ADSP2185
FPGA	: Xilinx Virtex-5, Spartan 6, Spartan 3/3E

USB Controllers	: ISP1161, TUSB5052
Memory	: DDR2 SDRAM, SDRAM, Flash (NAND and NOR)
EDA Tools	: Allegro, CR5000 System Designer, Cadstar, OrCad, Protel, PSpice, Hyperlynx, Modelsim, Xilinx ISE, PADS Layout
Protocols	: Gigabit Ethernet, PCI Express, SATA, Cameralink, Optical Interface, Zigbee, Bluetooth, WLAN, LVDS, CAN, USB, I2C, SPI, RS232
Testing Instruments	: DSO, Logic Analyzer, Spectrum Analyzer, Emulator

Trainings Attended

- Attended Advanced Product Quality, Design Robustness DfX, Reliability Practitioner System Architecture and Value Engineering trainings at **Philips**
- Attended Data Acquisition System Design and Power Supply Design training at **Texas Instruments**, Bangalore.
- Attended EMC Workshop at **SAMEER**, Chennai.
- Attended PCB Design training at **CETE**, Hyderabad.
- Attended FPGA Design and TMS320C62xx/67xx DSP training at **MS Ramaiah School of Advanced Studies**, Bangalore.

Bhagavad Gita: Chapter 9, Verse 26

पत्रं पुष्पं फलं तोयं यो मे भक्त्या प्रयच्छति ।
तदहं भक्त्युपहृतमश्नामि प्रयतात्मनः ॥ 26॥

*patraṁ puṣpaṁ phalaṁ toyaṁ me bhaktyā prayacchehati
tad ahaṁ bhaktyupahṛita-māśnāmi prayatātmanah*

॥9.26॥ --.पत्रंपुष्पंफलंतोयम् योमेभक्त्याप्रयच्छति तत् अहं भक्त्याउपहृतं अश्नामि प्रयतात्मनः ॥

Having established the benefits of worshipping the Supreme, Shree Krishna now explains how easy it is to do so. In the worship of the *devatās* and the ancestors, there are many rules to propitiate them, which must be strictly followed. But God accepts anything that is offered with a loving heart. (If you have only a fruit, offer it to God, and He will be pleased. If there is no fruit available, offer Him a flower. If it is not the season for flowers, offer God a mere leaf; even that will suffice, provided it is a gift of love. If leaves are also scarce, make an offering of water, which is available everywhere, but ensure again that you do it with devotion.) The word *bhaktyā* has been used in both the first and second lines of the verse. It is the bhakti of the devotee that is pleasing to God, and not the worth of the offering.

→ By making this wonderful statement, Shree Krishna reveals the merciful divine nature of God. He is not concerned with the material value of our offering.

Dr Sachin Parab at a glance

- RajayogiBrahmakumar, Dr Sachin Parab is a multifaceted personality who has given his life for Godly services. He is a brahmachary medical doctor who believes in the power of purity. Professionally he is medical graduate (MBBS) from mumbai university with specialization in clinical research. He has vast experience in medico-marketing and clinical research and has given his services in the pharmaceutical and clinical research organizations for many years.
- He was the part of the team who did research on Brahma kumarisRajayoga meditation. The biggest research on heart disease (coronary artery disease) is done by Brahmakumaris through Rajayogi lifestyle and he feels fortunate to work in this research along with team of Brahma Kumaris like Dr Satish Gupta and scientist from DRDO like Dr APJ Abdul Kalam& Dr Selvamurthy. After personally having some transcendental experiences in Rajayoga meditation as taught by Brahmakumaris, he decided to give his entire life for the Godly service. He is practicing and teaching Rajayoga Meditation since last 23 yrs.
- He believe on world transformation through self transformation. So far he has delivered more than 5000 lectures all over India and Nepal. He is also an author of the short motivational book, "Blessings of problems". He is currently Project director of Global Initiative for Tobacco Awareness and national coordinator of My India Addiction Free India campaign. He has received Maharashtra state level award, "Rashtrapita Mahatma Gandhi Award" from govt of Maharashtra for his contributions in the field of de-addiction in Maharashtra. He has so far trained more than 12000 volunteers in India who are working for My India Addiction Free India campaign. He has also received Adarsha Doctor Award 2013 and Rotary Service Award 2018 for his services in de-addiction.

- He has been leader, coordinator of various health and addiction related campaigns in India and Nepal some of which are as follows.
 - All India campaign against Tobacco – 2000
 - My India Healthy India-2009
 - My Nepal Healthy Nepal-2012
 - My India Addiction Free India – 2013
 - Global Initiative for Tobacco Awareness – 2015
- He is also national coordinator for VIHASA international program for health care practitioners in India. VIHASA is values in health care a spiritual approach. This is a personal and team development program especially designed for burn out in healthcare professionals.
- He travels extensively in India most of the days delivering lectures on more than 30 topics. Some of the famous courses covered by him are SMART (Stress Management And Right Thinking), Wisdom of Bhagvad Gita for day to day problems, Secrets Of Ultimate Living (A famous TV series by him which is aired in more than 40 countries of world).

He believes in the principle of abundance. There is plenty for everyone on this planet earth if learn how to share. The only permanent solution to current day problems is realizing the real self, going with in and channelizing SOUL energy for self and world transformation through Rajayoga meditation.

- **May all beings on this planet be healthy, wealthy and happy at all the times.
Om Shanti, Shanti, Shanti.**

Sub: Conduction Report of awebinar on “Learning Secrets of Happy Life during Lockdown”organized by Dept. E&TCon 30th April 2020.

Respected Sir,

The Dept. of E&TC, AVCOE used to organize Workshops/STTP’s/Guest Lectures/National level Seminars etc throughout the academic year frequently. A webinar on “Learning Secrets of Happy Life during Lockdown”wasjointly organized underIEEE Student’s Branch and IETE Student’s Forum (ISF)by Department of E&TC on 30th April 2020. The webinar was beneficial for allparticipants their daily life problems and solutions creating happiness culture.

The details of this webinarwere as follows:

Duration	: 30 th April 2020.
Resource person	: Mr. Sameer Shaha (Entrepreneur and Faculty, Art of Living)
Total no. of Students attended the session	: 190
Objectives	: 1. To maintain mental and physical fitness during lockdown. 2. To learn few more secrets of happiness. 3. To understand the happiness requirements and mental states.
Outcomes	: 1. Participants really impressed the way topics presented and gain the secrets of happiness. 2. Participants have understood importance of physical and mental fitness and art of living.
Coordinators	: Dr.R.S.Pawase, Mr. M.B.Kadu

This is for your kind information.
Thanking you,

With Regards,

Dr. Ms. R. P. Labade

THE NO GARBAGE TRUCKS!™ PLEDGE

I do not accept garbage in my life.

When I see Garbage Trucks,
I do not take them personally.
I just smile. I wave.
I wish them well. And I move on.

And I do not spread garbage to others.
I am not a Garbage Truck!

I do not accept garbage in my life.

AMRUTVAHINI COLLEGE OF ENGINEERING, SANGAMNER DEPARTMENT OF MBA

A Guest Lecture On "Positive Attitude" For M.B.A. Students

On 26th October, 2016 in the MBA class room an expert lecture was organized for 1 year students of M.B.A. dept on "Positive Attitude" at 3.00 pm to 4.30 pm. The expert was Mr. **Prantik Panigrahi**, Managing Director, Vipran Enterprises, Nasik. The expert explained and guided the students about Postitive thinking positive attitude and dedication towards work. He also did some activities. He gave different example related to the topic.

About 35 students from MBA I was presented for the lecture. The lecture was very much interesting and knowledgeable to the students. Vote of thanks was given by Ms. N. P. Shah.

Some of the snaps taken at the time of lecture are as below,

Motivational Lectures:

In order to develop & enhance the soft skills and personality development, college arranges various motivational lectures, awareness programs for students. Considering the rural background of 12th science students, college motivates the students in overall development. In the last academic year, we arranged a motivational lecture on Psychology & Stress Management by Mr. Sharad Kankarej (M.A. Psychology) - Ex. Pilot, Indian Air Force (retired) and Guest lecture on personality development & Time Management by Dr. Jagannathrao who is parapsychologist from Bangalore.

F.E. Induction Programme:

Induction Program was discussed and approved for all colleges by AICTE in March 2017.

Background of Induction Programme

Engineering colleges were established to train graduates in their respective branch/ department of study, have a holistic outlook towards life and have a desire to work for National needs and beyond. The graduating student must have excellent knowledge and skills in the area of his study. However, he/she must also have broad understanding of society and relationships. Character needs to be nurtured as an essential quality by which he/she would understand and fulfill his/her responsibility as an engineer, a citizen and a human being. Besides the above, several meta-skills and underlying values are needed.

Student Induction Program - Purpose & Concept *Purpose of the Student Induction Program* is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethics and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration. The term induction is generally used to describe the whole process whereby the incumbents adjust to or acclimatize to their new roles and environment. In other words, it is a well planned event to educate the new entrants about the environment in a particular institution, and connect them with the people in it. Student Induction Program engages with the new students as soon as they come into the institution; regular classes start only after that. At the start of the induction, the incumbent learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed. Then the different activities start, including those which are daily.

Here is a list of activities:

- Physical Activity
- Creative Arts and Culture
- Mentoring & Universal Human Values
- Familiarization with College, Dept/Branch
- Literary Activity
- Proficiency Modules
- Lectures & Workshops by Eminent People
- Visits in Local Area
- Extra-Curricular Activities in College

Amrutvahini College of Engineering, Sangamner

• Feedback and Report on the Program

The time during the Induction Program is also used to rectify some critical lacunas, for Example, English background, for those students who have deficiency in it. These are included under Proficiency Modules. There will be a 2 week long induction program for the IIC students.

Psychology and Stress Management Session

Ref.- AE/ FE/ / 2019-20

Date- 27/08/2019

As per the guidelines of AICTE and SPPU, Induction program was organized for first year engineering students in between 6 Aug 2019 to 14 Aug 2019. During this program the sessions of Psychology and Stress management was conducted by Mr. Sharad Kankarej (M.A. Psychology) - Ex. Pilot, Indian Air Force (retired), from dated 06th July 2019 to 08th July 2019.

The very motto of this activity was to step up the attributes of the cannon students by stepping down to their level to bring lightning smiles on the techno students with the help of positive psychological concepts and management of stress in the life. These sessions were helpful to build the self-confidence, health, and to create positive thoughts for stress less life.

More than 600 students have effectively attended these sessions. The feedback of these sessions from students and organising committee was highly appreciative. The session time schedule is as per the given below.

First Year Induction Program 2019-20

One Page Report on Spots & Fun Games

As per the guidelines of AICTE and SPPU, Induction program was conducted for first year engineering students 2019-2020 in between 6 Aug 2019 to 14 Aug 2019. The induction programme theme is, to get first year students familiar with our Institute and creating the awareness of physical activity (Sports) in life. This will build the self-confidence team work, health, and peaceful mind amongst the newly inducted students. With respect to this to develop team spirit of the students, First Year Induction program committee organised fun games and sports in our institute. More than 600 students have effectively participated in sports activities. The feedback of sports activities from students and organising committee was highly positive. Students have given assurance, to play regular sports and physical activities. The sports time is given Below.
