**Policy Document on disabled person
friendly environment**

Amrutvahini College of Engineering (AVCOE) is aware of government policy to provide equal opportunities, free movement and maintain dignity of every individual to develop an inclusive society. Therefore, the institute is committed to provide an all inclusive facilities for disabled persons in the college campus. It has been realized that the disabled persons if supported with certain facilities at the college campus can excel both in curricular and extracurricular activities. The institute has formed a policy for disabled persons that ensure there whole hearted participation in all the activities arranged in the college that will lead to their self development, institute development and the development of society at large.

The policy is formed by the institute.

The points address by the policy:

1. The disabled persons should be able to freely move in the college building without any barriers. To ensure the barrier free movement of disabled person ramps should be constructed at key places in the academic building.
2. The free movement of disabled persons further should be supported by construction of lifts for movement from one floor to another.
3. The washroom facilities should have provisions for additional facilities for safe and functional use for disabled persons.
4. The proper self-explanatory sign boards and display should be located in the building to help the hassle-free movement of disabled persons in the college building.
5. The students should be supported with the additional learning resources and attention from teachers to ensure their overall development and academic progress.
6. The provisions for enquiry and information should include human assistance, reader for visually impaired persons.
7. The physically disabled students should be motivated and counseling sessions must be conducted for them to boost their moral and self-confidence.
8. The classrooms should have special facility such as the first bench should be reserved for disabled persons.
9. The in-campus facilities such as wheelchair for easy movement in campus and in-campus bank facility should be provided for disabled persons.

Brief report on facilities provided for enquiry and information.

Amrutvahini College of Engineering (AVCOE) is keen to provide equal opportunities, free movement and maintain dignity of disabled persons. The easy access to information is a vital part for any individual. It becomes more important when it is concerned with disabled persons.

The institute provides the following assistance for disabled persons for hassle free access of information.

1. A telephonic inquiry facility is available in institute campus. The telephone operator is appointed for attending the inquiry calls.
2. The human assistance in form of security personal at the college entrance is instructed to assist the disabled persons for free movement in college campus.
3. The health care information is provided by a on campus medical officer at the college campus.
4. The administrative staff is instructed to give priority to disabled persons in case of any inquiry of information related to administrative work.
5. The academic staff also provides the necessary counseling to disabled students to make them experience a best college experience.
