

YEARLY STATUS REPORT - 2022-2023

Part A

Data of the Institution

1.Name of the Institution

**Amrutvahini College of
Engineering, Sangamner**

- Name of the Head of the institution **Dr. M. A. Venkatesh**
- Designation **Principal**
- Does the institution function from its own campus? **Yes**
- Phone no./Alternate phone no. **02425259148**
- Mobile no **9972132130**
- Registered e-mail **principal@avcoe.org**
- Alternate e-mail **mavenka@gmail.com**
- Address **Amrutnagar, Ghulewadi Tal -
Sangamner, Dist. -Ahmednagar Pin
code - 422608**
- City/Town **Sangamner**
- State/UT **Maharashtra**
- Pin Code **422608**

2.Institutional status

- Affiliated /Constituent **Affiliated**
- Type of Institution **Co-education**
- Location **Rural**

- Financial Status **UGC 2f and 12(B)**
- Name of the Affiliating University **Savitribai Phule Pune University**
- Name of the IQAC Coordinator **Dr. R. S. Tajane**
- Phone No. **9850265484**
- Alternate phone No. **02425259018**
- Mobile **9850265484**
- IQAC e-mail address **iqac@avcoe.org**
- Alternate Email address **ravindra.tajane@avcoe.org**

3. Website address (Web link of the AQAR (Previous Academic Year))

<http://www.avcoe.org/aqar.php>

4. Whether Academic Calendar prepared during the year?

Yes

- if yes, whether it is uploaded in the Institutional website Web link:

https://www.avcoe.org/academic_calendar.php

5. Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A	3.01	2016	17/03/2016	16/03/2021
Cycle 2	A+	3.40	2021	22/11/2021	21/11/2026

6. Date of Establishment of IQAC

02/01/2015

7. Provide the list of funds by Central / State Government

UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Mechanical/ Dr. V. S. Gadakh	RPS	AICTE, New Delhi	2020	2156863.00
Mechanical/ Dr. V. D. Wakchaure	SEG- Technology Development	UBA	2022	100000.00
Electrical/ Dr. S. S. Kadlag	AICTE-ISTE I NDUCTION/REF RESHER PROGRAMMES	AICTE, New Delhi	2022	93000.00

8. Whether composition of IQAC as per latest NAAC guidelines **Yes**

- Upload latest notification of formation of IQAC [View File](#)

9. No. of IQAC meetings held during the year **4**

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**
- If No, please upload the minutes of the meeting(s) and Action Taken Report **No File Uploaded**

10. Whether IQAC received funding from any of the funding agency to support its activities during the year? **No**

- If yes, mention the amount

11. Significant contributions made by IQAC during the current year (maximum five bullets)

Support and initiatives for Programme for awareness and admission planning, Promotional activities.

IQAC proposed and established sub -cell's and organized the activities for the students and faculties. The reviews and feedbacks

are taken.

Application and preparation for NBA certification for Mechanical, Electrical & Computer Engineering program.

The academic and extracurricular activities are planned and completed effectively for student's knowledge, skills and values development.

Academic and Administrative audits including ISO are planned and completed for better quality assurance.

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Upgrading Facilities, to start new projects and product development for other of institutes and industry.	In accordance with Research and Development Cell process initiated for center of Excellence.
Get remaining programme NBA Accredited Mechanical, Electrical, & Computer Engineering.	NBA Accreditation Process Completed in the Year 2022-23 for Mechanical, Electrical & Computer Engineering.
Application for ranking under NIRF, CSR and CII will be initiated.	NIRF, CSR ranking applied.
Institute is planning to adopt Certification/ Add-on courses through various departments.	Through EDP cell activities were planned and conducted for VALUE ADDITION AND SOFT SKILL DEVELOPMENT of student.
Institute has plan to increase publication in UGC listed journal.	New Policy of providing special incentive to first author of research paper publication published in SCI/Scopus/UGC have been framed.
Through IQAC, FDP will be applied under NAAC funding scheme.	In process for application and will be applied in 2023-24.
Lab development for newly opened AICTE branches i.e. Automation and Robotics, Electronics and Computer.	As in lined processed and will be followed per year.

New UG Programme will be applied i.e Artificial Intelligence & Data Science and Increase in intake for E&TC and IT.	Started new program Artificial Intelligence and Data Science (60 intake), the intake for E&TC and IT increased from 60 to 120.
Nomination for Board of studies, Senate, and council at SPPU.	Three faculty members elected as member of Board of Studies at Mechanical, Civil & E&TC of SPPU, Pune.
Restructure of various policies are in line with today's requirement at Institute level.	The organization chart has restructured for better administration and roles and responsibilities defined accordingly .

13. Whether the AQAR was placed before statutory body? **Yes**

- Name of the statutory body

Name	Date of meeting(s)
Governing Council (GC)	02/07/2023

14. Whether institutional data submitted to AISHE

Part A

Data of the Institution

1.Name of the Institution	Amrutvahini College of Engineering, Sangamner

Governing Council (GC)	02/07/2023
14.Whether institutional data submitted to AISHE	
Year	Date of Submission
2021-2022	03/02/2023
15.Multidisciplinary / interdisciplinary	
As per SPPU guideline / circular, any candidate having degree or diploma in engineering can do graduation in any other branch of engineering. As AVCOE, Sangamner is affiliated to SPPU Pune, Multidisciplinary/Interdisciplinary courses implemented by SPPU Pune. Some of the final year projects are Interdisciplinary.	
16.Academic bank of credits (ABC):	
AVCOE Sangamner is affiliated to SPPU Pune. SPPU, Pune has already registered under ABC. As per the guidelines of SPPU, Pune our students have started registering under ABC.	

Curricular is defined and designed by SPPU Pune. Hence, as per the curriculum of SPPU, Pune some of the faculty members have written text book and reference books. Still so far, there is no collaboration with any foreign institution for the award of joint degree.

17.Skill development:

No vocational courses run by the Institution. But three years before, department of Mechanical Engineering had applied for few vocational courses to AICTE. Reply is still awaited.

We are also conducting Japanese & German Language certification programmes.

SPPU, Pune has introduced induction programme for first year engineering students. Under this programme, it is mandatory for the institution to conduct value based programme for first year engineering students. Various guest lectures on yoga, Adhyatma, humanity, life skill, etc... are arranged under this programme.

Some Faculty and students are involved in UMA and UBA. Under this, some civil works are carried out in nearby villages.

AVCOE Sangamner is affiliated to SPPU Pune. SPPU Pune has already introduced credit based syllabus. Third year engineering students are undergoing internship at the end of 1st/2nd semester, which helps enhancing hands on experience of working in an industry.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Presently no course/subject is taught in any Indian language, as the syllabus is designed by the SPPU, Pune is in English only. However, if demanded by the students, faculties are advised to explain certain points in local language i.e. Marathi. One of the faculty, Dr. Bhadane is selected to review a book of electrical engineering written in Marathi.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Institution has already adopted OBE system since 2017.

Under this

I) CO-PO mapping is done.

II) Attainment of every course of every programme is

calculated.

III) Industrial visits are arranged.

IV) Guest lectures are conducted for value based education, professional courses on and above the syllabus and for bridging the gap.

V) Mock in-sem and prelim exams are conducted for practice of students.

VI) Regular assignments and assignments for failed students (in mock in-sem and prelim exam) are given.

VII) Continuous assessment of labwork is done.

20.Distance education/online education:

Virtual labs were conducted. Many staff and students have taken up online NPTEL courses. A Smart classroom is available in the department of Mechanical Engineering. Makeup classes are conducted using online platforms. Faculty attends online Faculty Development Programme. Department organizes online FDP programme.

Extended Profile

4.1 Total number of Classrooms and Seminar halls		56
4.2 Total expenditure excluding salary during the year (INR in lakhs)		1049.03
4.3 Total number of computers on campus for academic purposes		1293

Part B**CURRICULAR ASPECTS**

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institution ensures effective curriculum delivery through a well-planned and documented process through structured committees.

- Curriculum and academic calendar are designed and published by the Savitribai Phule Pune University. Before commencement of each semester, Principal calls meeting with HODs and finalize the academic calendar considering the institute events. All departments prepare their academic calendar.
- Subject allocation of faculty is done as per specialization and their choice by HOD. Subject distribution is planned well in advance for proper academic implementation.
- Time tables are prepared, preserved and displayed with prior approval of HOD and Principal. Course file, Lab manual, theory and practical teaching plans are prepared by faculty of the respective subject allotted before commencement of semester.
- Report of syllabus coverage, monthly class attendance and test marks are submitted to Dean Academics, Principal at the end of every month by HOD.
- Academic progress, grievances, feedback from stakeholders are taken and conveyed to Principal for strengthening curriculum delivery and overall improvement.
- Based on result analysis and attainment of CO, PO and PSO, corrective actions are suggested and implemented in subsequent academic year.

File Description	Documents
Upload relevant supporting document	View File
Link for Additional information	Nil

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

- According to SPPU's directives, academic calendars are prepared at institute level. Based on this calendar, departments prepare their own calendars.
- Department monitoring committees monitor activities to

ensure smooth lectures and practical sessions.

- Each student's attendance is recorded daily in Sackinfo ERP software. Absences of students are communicated to parents through SMS on a regular basis.
- Class tests, assignments, seminars, tutorials, guest lectures, industry visits, value-added courses, and other activities are scheduled according to the academic calendar.
- When a student's performance is poor or he or she is absent, the parents of that student are contacted for counselling and corrective action.
- The continuous assessment of Practical/Term work is done based on record conduction and viva (RCV/ACO). On the basis of record conduction and viva (RCV/ACO), the continual assessment of Practical/Term work is done.
- For both slow and advanced learners, the learning process is organised according to a schedule.
- Periodic audits and compliance with statutory requirements are used to ensure continual improvement. A quality management system based on IQAC guidelines is used to create a strong teaching learning process.

Any additional information	View File
Details of the students enrolled in Subjects related to certificate/Add-on programs	View File

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The curriculum has incorporated environment and sustainability issues in few courses are as follows:

- Architectural Planning and Design of Buildings: From this course students learn- to develop optimum planning, utilization of resources, how to use building byelaws, green building concept, etc
- Environmental Engineering: This course highlights the aspects related to air pollution, noise pollution, low cost waste water treatment systems.
- Geotechnical Engineering: Energy Audit and Management, Material Science.

The curriculum has incorporated Human Values issues in few courses are as follows:

- Industrial and Technology Management, Information and Cyber Security, Road Safety Management

The curriculum has incorporated Professional Ethics issues in few courses are as follows:

- Total Quality Management and Management Information System.
- Gender equality issues as part of the curriculum is covered in co-curricular activities.

1.4 - Feedback System

1.4.1 - Institution obtains feedback on the syllabus and its transaction at the institution **A. All of the above**

from the following stakeholders Students
Teachers Employers Alumni

File Description	Documents
URL for stakeholder feedback report	Nil
Action taken report of the Institution on feedback report as stated in the minutes of the Governing Council, Syndicate, Board of Management	No File Uploaded
Any additional information	View File

1.4.2 - Feedback process of the Institution may be classified as follows

A. Feedback collected, analyzed and action taken and feedback available on website

File Description	Documents
Upload any additional information	View File
URL for feedback report	Nil

TEACHING-LEARNING AND EVALUATION

2.1 - Student Enrollment and Profile

2.1.1 - Enrolment Number Number of students admitted during the year

2.1.1.1 - Number of students admitted during the year

716

File Description	Documents
Any additional information	View File
Institutional data in prescribed format	View File

2.1.2 - Number of seats filled against seats reserved for various categories (SC, ST, OBC, Divyangjan, etc. as per applicable reservation policy during the year (exclusive of supernumerary seats)

2.1.2.1 - Number of actual students admitted from the reserved categories during the year

622

File Description	Documents
Any additional information	View File
Number of seats filled against seats reserved (Data Template)	View File

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The Institute has policy to identify slow and advanced learner and conduct activities accordingly.

The process of slow and advanced learners identification is based on following parameters.

Sr. No. Parameter Weightage in %

1. Performance in unit test 15
2. Academic Performance 50
3. Class/Subject Teacher Feedback 10
4. Activity Participation 25

- The students securing marks below 40% are Slow Learners and the students securing marks above 70 % are Advanced Learners.

Advanced Learner Activities:

1. Expert sessions from Industry/Academic, on technology advancements. 2. Opportunity to co-ordinate State/National level Seminars/workshops and GD, quizzes, debate, Essay Writing etc. 3. Study group system with slow learners. 4. Buddy alumni Scheme for career and skill guidance. 5. Guidance for GATE, MPSC, UPSC, CAT exams. 6. Financially supported for professional bodies membership like IEEE/CSI/ ISHRAE/ASI/IEI/IETE/ ISTE etc. 7. Registration fees to participate and present papers in Workshops/Seminars/Conferences/Hackathon/Inter-Collegiate competitions, etc.

Slow Learner Activities: 1. Simple but standard course material, Recorded video lectures. 2. Learning Practice session for detail discussion on syllabus content/revision. 3. The tutor's

interaction with students and parents. 4. Buddy alumni Scheme for career guidance and counseling. 5. Need based counseling by professional counselor. 6. Make up classes for DSE Students.

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

Number of Students	Number of Teachers
3358	184

File Description	Documents
Any additional information	View File

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute encourages and practices experiential learning, participative learning and problem solving methodologies by employing student centric methods, where in faculty plays a role of facilitator.

The following methodologies and initiatives have resulted in enhanced learning experiences.

1. Industry Internships: The Internships have improved their problem solving skills as students worked on small projects and learned industrial practices. 2. Project Based Learning: Final year projects and Project Based Learning allows the students to do active experimentation and learn by doing the things. In project based learning students solve problems, get hands-on experience of using real world components, tools, instruments, equipment and machinery. 3. NSS field work: NSS volunteers have participated in various physical events during 2022-23, which enhanced their experiential learning. 4. Participation in Hackathons, SAE Competitions etc.: Teams from the institute participated in academic year 2022-23 for their project in SPPU HACKATHON competition. A team from the Mechanical engineering participated

in the SAE INDIA-TIFAN. These activities also develop their design skills and problem solving skills.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The faculty employs ICT enabled teaching learning methodologies and cutting-edge technology for content delivery and learning. The institute has the necessary resources to provide learners with an interactive, engaging, flexible, and convenient ICT-based learning environment detailed as below.

- Class rooms and Seminar halls are equipped with LCD/DLP projectors; internet/Wi-Fi connectivity and portable public address systems for delivery of digital/multimedia contents.
- Faculty utilize ICT tools to teach course content using innovative pedagogy techniques such as PPT, animations, videos.
- Learning management system (Moodle) is used to provide assignments and for sharing the learning resources.
- Faculties use various e-learning resources like Swayam / NPTEL MOOC platforms.
- The institute's central library is equipped with multimedia PCs, internet access, and access to an institutional repository of class notes, video recordings containing demonstration of the laboratory experiments, e-Books, e-Journal subscriptions, an audio-visual section and a library OPAC system.
- A separate Japanese Language Learning centre (SAKURA) and German Language Learning Centre with smart interactive display facility is established in the institute.
- Expert talks/lectures, training programs, workshops and webinars are conducted regularly using ICT facilities.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

To bring transparency in the internal assessment, students are made aware with evaluation rubrics. Exam schedule and time-tables are communicated in advance to the students.

Internal assessment of Unit tests and Prelim examination- 1. Schedule of Mock In-semester and Prelim Exam is given in academic calendar which is communicated to student at the time of commencement of semester. 2. It is a practice of the college to show internally evaluated answer books to the students in the class for identification of common mistakes and students are counselled regarding areas for improvement. Internal assessment of laboratory work/term work- 1. The laboratory work evaluation is the basis for the award of term work marks. The evaluation is based on A-C-O rubrics covering Attendance/punctuality (A), conduction of practical (C) and oral (O). 2. Final term work marks are displayed at the end of each semester for student information. 3. Students are free to interact with the teacher to resolve

grievances if any, regarding the assessment.

Internal assessment of seminar and project work- Assessment is transparently carried out based on rubrics of evaluation that is made available to the students at the beginning of first semester of final year .

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

External examination related grievances- External (University) examination grievances are addressed by examination section as per the process laid down by the SPPU. Institute follows a time bound, efficient and transparent process for the examination related grievances of the students. To bring transparency in external examination related grievances, a separate hoarding is displayed at examination section detailing with the processes to be followed for grievance redressal. A College Exam Officer (CEO) is appointed by the institute for the smooth conduction of University exams and for addressing exam related grievances as per the University rules.

Internal examination related grievances-

- Unit Tests and Preliminary Examinations-

Institute conducts Unit tests and preliminary examination and answer sheets are evaluated in front of the students and the grievances are resolved.

- Term-work Evaluation-

Term-work marks are given based on continuous evaluation process based on the performance of the students during the course of semester. Students are informed in advance the rubrics of continuous evaluation. Marks distribution is done based on evaluation of assignments, performance in internal Unit Tests, record in practical journals, performance of experiments and internal viva-voce. Grievances raised by the students regarding term-work marks are resolved collectively by subject teacher and

HOD.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Program outcomes (POs) and course outcomes (CO) of the all the programmes and courses are stated and communicated to the students through institute website and by display of hoardings at prominent places of the institute. CO statements address appropriate Blooms Taxonomy (BT) levels by considering a proper balance of lower, intermediate and higher order abilities and skills to be acquired by the learners. Graduate attributes prescribed by NBA are taken as 12 Program Outcomes. Mechanism of Communication of POs and COs: POs are communicated to the students, teachers, staff and other stakeholders through the following ways:

- Displayed at main entrance of the departments.
- Published through institute website- www.avcoe.org.
- Conveyed during various value added courses, workshops, seminars, induction programs.
- Conveyed during teaching learning process, tutor meetings.
- Published regularly in institute brochure, departmental magazine.
- Printed on laboratory manuals, project log book.

Course Outcomes (COs) are communicated to the students through the following ways:

- COs are published through institute website- www.avcoe.org..
- COs are made available for the ready reference of the students through course syllabus copies, notes, hand-outs, lab manuals.
- Course syllabus copies, notes, presentations and lab manuals are also made available to the students in digital media formats.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institute follows Outcome Based Education (OBE) philosophy for the measurement of levels of attainment of POs, PSOs and COs. The assessment methodologies and the process of measuring attainment levels is summarized below. Direct Assessment Methodologies: Direct assessment methodology have two components viz- internal assessment (20% weightage) and external assessments (80 % weightage). Internal assessments are carried out for Class Tests and Prelim examination, External assessments are carried out for in-semester, end-semester examination, oral/practical examination and term work evaluation of laboratory work.

Direct assessment Rubrics used for Course Outcomes (COs) are:
 Attainment Level 1: XX% of students score more than XX% marks
 Attainment Level 2: XX% of students score more than XX% marks
 Attainment Level 3: XX% of students score more than XX% marks
 CO Attainment = 80 % of Attainment Level of External Assessment + 20 % of Attainment Level of Internal Assessment
 Indirect Assessment Methodologies for Program Outcomes (POs): Indirect assessment methodologies for PO's is carried out based on alumni feedback, program exit survey and employer survey. Overall PO Attainment= 80% of attainment through direct assessments + 20% of attainment through indirect assessment.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The Institute has given an opportunity for rural graduate and post-graduate students to explore new ideas and share information with others who share their interests.

The Research and Development Cell inspires in students a research culture and promotes continuous excellence in engineering education.

With this well-defined framework, students and faculty members attend seminars and workshops, give papers, compete and exhibit, and register for IPR. This results in the concerned person's view broadening as a result of exposure to the outside world and the study of pressing concerns in such areas. The end result of this process is that fresh and inventive ideas are conveyed to subsequent batches, their counterparts' mindsets change, and juniors are guided. Faculty and students with higher intellectual levels serve as lighthouses, illuminating others, resulting in

overall quality improvement, greater career prospects, and overall expansion of the institute.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The development of social awareness among students and faculty members is vital as part of extension operations. The Institute takes social responsibility by promoting various activities such as the cleanliness awareness program, the Swatchh Sarvekshan campaign for Sangamner City, and so on for the purpose of extending activities in the neighborhood community and alerting students to social issues for their overall development. Thus, through its focused efforts in this field, the institute constantly takes proactive actions to contribute to the social uplift of society and rural people. The following are the case studies on extension activities carried out in the neighborhood community, for their holistic development.

Sr. No. Description

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The Institute has created adequate infrastructure in terms of State of the art computer labs, library, language lab, classrooms and seminar halls with audio visual facility. The whole campus has Internet facility with dedicated 500 Mbps lease line. The campus has well equipped playground, gymnasium, hostel, mess, women's common room and an amphitheatres. Institute has in campus facilities like Xerox, Stationary store, ATM.

Laboratories are well equipped and charts, models and cut sections are displayed in laboratories for better understanding. The Institute has excellence centers like E-Yantra Robotics Lab, NVIDIA-CUDA learning center, CISCO Networking Academy, REDHAT

Academy Centre, etc. Modern machineries like 3D printer, Co-ordinate Measuring Machine, Hybrid Wind/Solar system etc are also added in the laboratories to facilitate advance learning and research. Classrooms and seminar halls are well furnished, ventilated, illuminated and equipped with mounted LCD projectors, white screens, podium, green boards with the ICT tools and audio-video facilities strengthens the infrastructure. The Library is segmented in Reference Section, Journal Section, Reading Hall, Digital library, etc. The library has collection of Textbooks, Reference, Journals, e-Journals, e-books, CDs, LED TV etc. The institution has membership of Automotive Research Association of India, Delnet, Jaykar Library, Indian Institute of Technology, Mumbai.

File Description	Documents

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The Institute has two wide playgrounds Vasantdada Patil Ground and Medha Ground having size of 50,420 sq.m and 58,980 sq.m. for playing outdoor games such as cricket, volley ball, basketball, running track, horse riding and foot-ball. Similarly, the institute also has the facility for indoor games such as chess, table tennis and badminton. Institution provides its playground for organizing University, District and State level events.

The gymnasium has high end machineries and equipments for body building. The Institute has cultural cell/Mudra Club which looks after cultural activities with different high end equipments/musical instruments. Since 2015-16, every year Institute conducts a cultural event "Medha" to nurture the talent of the students. The institute organizes many competitions like dance, song (group and solo), writing, debate, rangoli, flower decoration, poster making, painting etc every year. Amrut kalamanch and Amphitheatre; with 1000 and 2500 seating capacity respectively & 2 well equipped Conference halls with 350 & 150 capacity. Different activities like Special classes on selfdefense for female students are arranged. The Yoga Club which runs daily 05-06 pm. Institute celebrates 21 June, the international Yoga day on large scale. National Independence Day and Republic Day are

celebrated in the Institute.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The main objective of Central Library is to provide seamless

access of the information to its users in a networked environment and to become a premier learning resource center in Engineering, Science & Technology and related areas. The library is partially automated using library management software 'Sack Info ERP Software (V.2.5)' with barcode technology since 2018.

The library has rich collection of text book, reference books, handbooks, manuals, rare books, e-books, journals, e-journals, etc. A total of 68057 volumes, 15155 titles and 41,600 + e-books are available in the library as on 31st May 2022. The library subscribes to 109 print journals and 270 e-journals. It has well designed and maintained stack rooms. The library has covering an area of 1222 square meters. It has well designed and maintained stack rooms. The library database is centrally computerized for accession and renewals for students and use of bar codes for the books simplifies for easy, secure and quick operation. The library has subscribed e-Journals, research journals in electronic as well as printed formats with various reputed online scientific databases such as IEEE, ASME, ASCE and DELNET.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Institution has adequate IT infrastructure which is updated and upgraded continuously as per the curriculum requirements and changing technology. Wi-Fi zones are provided at various locations such as reading halls, hostels, and department corridors. The computer labs are connected through LAN with internet facilities. ICT facilities are available in all the departments.

A leased line connectivity of 400 Mbps from Airtel and 100 Mbps from Tata is procured. The maintenance of computer, Internet Wi-Fi networking, and installation of software and maintenance and up gradation of hardware is done on contract basis.

1. Network Security: The college campus has completely switched, high availability network. Network is secured by firewall integrated in router. Additionally, Sophos is available with access control.

2. Software Asset Management: We categorize the software assets as open source software assets and proprietary software assets. The

proprietary system software are purchased at Sanstha level and further distributed to different units. Application software is purchased for individual departments as per their curriculum and research requirement.

3.Open-Source Resources: Institute strongly promote open-source software, tools and applications such as JDK, Star UML, Eclipse, G++, gcc, SSH, My-sql server and client, Scilab, Octave etc. for supporting computers assisted learning. Currently institute supports Linux operating system.

Green Computing: Institute strives hard to reduce the carbon footprint. Most of the administrative activities pertaining to faculty, staff and student are handled through the ERP. All the news feeds are displayed through LED TVs.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The classrooms are well-equipped with modern teaching tools, such as LCD projectors. The maintenance and cleaning of the classrooms and furniture are done with the efforts of non-teaching staff and in major cases the college employs a maintenance contract to the experts. A request letter is sent to the Principal to pre-approve the expected expenditure for the work. Quality control is conducted during the process and the bill is checked and approved before being sent to the relevant authorities. All computers and peripherals are also inspected by the technical assistant for any issues. The institute's website is updated and maintained internally. Library software is maintained by AMC. CCTV camera has been installed at all important places in campus including classrooms.

Electrical, plumbing and generator maintenance is done with the help of local skilled persons. The quality of drinking water is tested regularly. The fire extinguishers are refilled timely. The running track and gym are open to all stakeholders, and the management provides adequate funds for the upkeep of sports facilities. The general maintenance of infrastructure is looked after by the estate section. However, periodical, preventive and post-maintenance of equipments are done through Annual Maintenance Committee as per supplier's service manual.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Overview:

The establishment of student councils play an integral and

important role in the student community. Student councils provide a representative structure through which students can debate issues of concern and undertake initiatives of benefit the college and the wider community. Students have a voice and a contribution to their college. It is important that, they should be given an opportunity to express their views on concern issues of them in the college. It is equally important that they are listened to and encouraged to take an active part in promoting the aims and objectives of the college. This policy establishes the basis for the formation of Student Council Policy, including their composition, membership, terms and recommendations.

Objectives:

1. To enhance communication between students, management and staff
2. To promote an environment conducive to educational and personal development
3. To promote friendship and respect among pupils
4. To support the management and staff in the development of the college
5. To represent the views of the students on matters of general concern & Policies.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

- An Alumni Association registered during the year 1994 with registration number - MH/788/04/Ahmednagar. The purpose of the association is to bring all the alumni together in a single platform; to share their experiences, to extend support and provide guidance to the Institution.
- The special alma-shine portal is designed for alumni registrations. At present active alumni strength is 6333 out of more than 10000 graduates.
- The institute organizes "MILAP" alumni meet every year. During the meet, they interact with the students, faculties, management and share their ideas for improvement of overall progress of the institute.
- Apart from the regular event, the alumni visit the department to provide guidance through guest lectures, seminars, Annual Quality Assurance Report of AMRUTVAHINI COLLEGE OF ENGINEERING, workshops and supports for industrial visits, internships, and placement drives, etc., throughout the academic year.
- The alumni of the institute supports the students for financial help during their project work, or any competitions.
- Alumni voluntarily involve in mentorship for current first year and second year students of institute through Buddy scheme a unique feature. He/ She inspires and motivates the student to infuse confidence level by quoting his/her journey, deep career to achieve the excellence. In this scheme, the alumni supports till he/she graduates with career prospects.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision

- To create opportunities for rural students to become able engineers and technocrats through continual excellence in Engineering Education.

Mission

- Our mission is to create self-disciplined, physically fit, mentally robust, and morally strong engineers and technocrats with high degree of integrity and sense of purpose who are capable to meet challenges of ever advancing technology for the benefit of mankind and nature.
- We the management, the faculty, and staff therefore promise to strive hard and commit ourselves to achieve this objective through a continuous process of learning and appreciation of needs of time

Governance

- Top management directs Principal focusing on vision and mission of the institution.
- The Principal consistently follows top management policies to achieve the vision with the support of staff.
- Principal, Vice Principal, IQAC Director, Deans, Registrar

and Head of Departments come together to form different committees to provide “decentralized administration” to achieve institution’s objectives and goals put forth.

- The institution is committed to follow quality framework defined by ISO 9001:2015 with the support of IQAC.

Academic Planning:

- Semester wise academic calendar, which includes all curricular, co-curricular, extracurricular activities by following University academic calendar.
- Financial Planning: Budget required in academic year as per perspective plan.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	View File

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralization- ISO, etc. Participative Management:-Involvement of stakeholders (GC, CDC, AAB (Academic Advisory Board), IQAC, DAB (Department Advisory board), DCC (Department Core Committee), Department association, student council, etc.)

College promotes culture of participative management. Therefore, the committees are set up to execute predefined strategies that emphasize active stakeholder involvement.

- Students Council
- Students Association
- Cultural and Sports and other activities.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The organization has a well-structured administrative setup with Governing Council as the highest decision making body followed by CDC and AAB, 53 other functional bodies and committees. Service rules, Procedures, Recruitment and Promotional Policies: The Institute has a set of well-established rules, policies and regulations within the frame work of AICTE, State Govt. and the affiliating university, which are approved by the Governing Council of the Institute. The rules and regulations of the institute were first published in Nov 1997 and are, revised periodically. The following documents are published and are made available in the institute, library and in all departments to create awareness among the employees and students. The same is, also available in the college website - avcoe.org. The copies of the institute, Administrative Manual containing service rules, Procedures, Recruitment and Promotion Policies, are circulated among all the staff (both Teaching and Non-teaching) for their information.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

All staff, that is eligible as per the Staff's Provident Fund Legislation are enrolled as members to EPF Scheme. Institute provides gratuity scheme, Group Medical Insurance, for staff. All the benefits at superannuation are extended to all staff members viz. Summer and Winter Vacations of 70 days, 12 days Casual Leave per year, 10 days Medical Leave per year for approved faculty and 9 days of special leaves for ad-hoc faculty members. Six months maternity leave is available to the women employees. The institute allows faculties to go for higher studies and short term courses. On duty facility and training and travel grants for attending workshops /conferences/seminars. Fees reimbursement policy is in place for Swayam, NPTEL and NITTT courses. Institute provides residential facility for the staff members. Institute constituted Amrut Madatnidhi for staff in case of medical emergency with maximum help amount extended upto Rs.50,000/-. In case of any emergency, personal loan is also provided to the staff through

staff credit society. Tuition fees collected in Equal Monthly Installments (EMI) for wards of the staff. Institute provides uniforms to non-teaching staff with all required accessories. Medical facility on campus, ambulance in case of emergency is also being provided for all staff.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The Institute follows a systematic Performance Appraisal System for teaching and non-teaching staff. The management evaluates teachers based on teaching, R&D activities. The institution evaluates non-teaching staff based on performance in technical

support and administration related activities, co-curricular, professional, development related activities, academic contributions, general conduct and qualities. A structured "Self-Appraisal Form" is used by staff member for this purpose. The concerned HOD gives their remarks on the performance of the faculty member. Additionally, Increment form based on API (Academic Performance Index) is introduced for awarding annual increments. The minimum requirement is 75% score. The management evaluates the faculty members and staff by merit rating based on their performance during the period of evaluation. They are recognized for academic performances, R&D, consultancy, IPR, results, project guidances, peer reviewed publications, funded research, patents developed, recognition by professional bodies and contribution towards achieving institutional goals. In case of non - teaching staff, increment is released based on their performance in the department, their urge to learn new technologies, interpersonal behavior and punctuality towards the work done in department and institute. The above methodology of merit rating has helped the institution to identify and reward meritorious employees and to positively motivate them.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Institution conducts internal and external financial audits regularly. At the beginning of every financial year, every department submits budget requirements to the institute. Head of the departments prepares budget reports, based on information provided by various lab in-charges and submit it to the institute. Budget is proposed by Principal in GC and CDC, and is approved by them. Looking at the syllabus revisions and requirements thereof, additional procurement is suggested if any. At the end of every financial year, it is observed, whether the allocated budget is properly utilized or not. For above procedure, the institution is having qualified practicing CA as internal and external auditors who audit the accounts annually. After the audit, the report is sent to the management for review. In addition to this, the

institution is having consultants to give opinion on taxation and legal issues. The college is filing income tax return every year within the stipulated time. Internal Audit- It is conducted quarterly in a year by the audit department of the parent institution, Hase and Firm, Nasik External Audit- In the second stage, the audit is carried out by M/S. Rajendra Gundecha & Company C.A., Ahmednagar. Internal/External Audit Last Audit date : 14-08-2023 Details of Compliance : There is no adverse remark on the accounts of the institution

Auditors: Rajendra M. Gundecha & Company, Sangamner

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Budget allocation -

1. 10% of total income is taken out as corpus fund. 2. 70% of total expected income is allocated for staff salary 3. 20% of total expected income is budgeted in following proportion

- Library 5%
- Infrastructure built up -10%

- Laboratory equipment - 25%
- Laboratory Consumables - 5%
- Maintenance and Spares - 30%
- Research and Dev. - 3%
- Travel and Training - 2%
- Miscellaneous-10%
- Others - 10%

4. Irrespective of the expenditure against each head for that financial year, the Institute allocates budgetary provisions as per the percentage decided. Unutilized funds may be used for other heads or can be forwarded to the next financial year. 5. The funds are allocated for planned and unplanned activities, infrastructural and lab equipment to fulfill the requirements as per revised curriculum. Budgetary controls are exercised by Principal and accounts. 6. Special considerations are made to accommodate unforeseen requirements. There has been no budget crunch that has affected the teaching learning process and effective functioning of the institute. 7. Budget is prepared in March, whereas the syllabus revision, Admissions and fees allocation is done in June/July. So, there may be some deviation in utilization and budgeted amount.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has made significant contributions for framing and implementation of the quality assurance strategies and processes. In order to ensure the quality of the educational system, including the teaching and learning process, IQAC holds regular meetings. The IQAC and its constituent, ISO cell undertake various quality assurance initiatives. IQAC conducts academic audit covering all the important aspects of teaching-learning process. A separate audit was conducted to assess quality of course file and personal file contents of individual faculty. Continuous improvement is achieved through periodic academic and administrative audits (AAA) and satisfying statutory requirements. The recommendations and guidelines provided by the GC, AAB and CDC

are implemented effectively in coordination with the IQAC. The quality assurance strategies and processes incorporated by IQAC and its constituent ISO cell are provided in additional information file. The following activities are conducted by IQAC to improve the standards of education at the institution.

- Organizes induction programme for FE students with FE coordinator.
- Coordinating social activities through active NSS unit of the institute.
- Promote research and innovation culture in the institute through R&D cell.
- Organize faculty development programs (FDP).
- Preparation for NBA.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Teaching-learning processes, methodologies and learning outcomes are periodically reviewed by the IQAC. The effectiveness of the implementation of these initiatives is monitored periodically by conducting academic and administrative audits (AAA). Various reforms and quality initiatives undertaken by IQAC are elaborated:

1. Academic calendar and adherence with academic calendar 2. Enhancement in the usage of innovative pedagogy techniques and ICT tools 3. Implementation of Outcome Based Education (OBE) 4. Strengthening of the ERP system 5. Feedback system for evaluation of faculty from students 6. Student's result analysis 7. Adopting a revised ISO 9001-2015 Quality Management System (QMS)

8. Review of all the academic and administrative processes through academic and administrative audits conducted through ISO 9. The Institute always believes in continual improvement and strive to get a quality assessment by various agencies. To testimony this, Institute programs are accredited four times by the National Board of Accreditation (NBA), New Delhi & two times by NAAC, Bangalore.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender equality and sensitization in co-curricular:

- Gender equality promotion program organized
- Group discussion
- Debate competition

Facilities for women in campus:

1. Safety and security: The campus is under CCTV surveillance, exclusive parking for ladies. Biometric attendance in hostels, in time to hostel; rectors, clerks appointed for monitoring

attendance. Lady doctor service is provided for health issue with ambulance service. 2. Counseling: In tutor scheme, one faculty for monitoring issues. Buddy scheme is initiated to guide by senior alumni. A separate lady trainer is appointed for physical fitness activities. A professional counselor is appointed for counseling session, available as per schedule. 3. Common Rooms: In the institute, separate boys, girls common rooms are provided at various locations with facilities. Girls common room with all necessary things.

4. Day Care Centre for young children: Amrutvahini School extending the support to provide day care facility to our faculty's childrens. Toys and proper security measures are provided with maid servant. 5. Any other relevant information/Other initiatives by institutes: Women's day was celebrated on 8th March 2022 with motivational talk. Girl's hostel includes separate study room; computing facility, gymnasiums, outdoor games, cafeteria. Health awareness activities arranged. Different committees including ICC, woman empowerment cell are functional.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management:

Plastic, papers, etc. are sold out to scrap vendor. One side printed papers are reused. The paper wastes are shredded, sold to agency for recycling. Daily garbage and biomass disposed in compost pit. The dry, wet garbage separated food used for biogas plant. Metal scrap is sold out in auction. The old jobs are reworked, reused for student practical.

Liquid waste management / Waste recycling system:

All waste water lines are connected to the septic tank. Waste water generated from Campus which includes sewage from buildings. The microbial culture technology based Sewage Treatment Plant (STP), capacity of 0.4MLD and Installation cost is Rs. 27.94 Lakhs installed impacting reduction in CO₂ emission of $0.85 \times 8952 = 7609.2$ Kg.

Biomedical waste management: It is not generated in the institute.

E-waste management:

The major E-waste includes desktop computers; UPSs, laptops, monitors, stabilizers stored properly. Reuse of components in projects displayed in corridors for demonstration. The e-wastes like computers, keyboards mouse's collected, disposed to the scrap dealer.

Hazardous chemicals and radioactive waste management:

The chemicals used in chemistry lab and environmental lab are diluted, disposed in sand pits. We are not using any radioactive materials.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Tolerance and harmony towards cultural and communal diversities:

- All important days like Independence Day, Republic day are celebrated every year. The cultural programs are conducted on Independence Day, Republic day.
- Festivals are celebrated in the premises. Showing religious harmony, various activities like elocution competition, birth anniversaries of social reformers are organized.
- The minority cell, OBC cell and SC/ST committee are organizing meetings to ensure harmony among students.

Tolerance and harmony towards regional, linguistic diversities:

- The institute maintains always supports for holistic culture in the campus.
- The institute has residential facility in campus with hostels.
- Every year Basantpanchami is celebrated.
- At present, the students from J&K are admitted, accommodated under PMSSS quota.
- Majority of faculties are from Maharashtra, creates well comprehensive culture among the faculties.
- Few faculties are from Bihar, Jharkhand residing in college staff quarters.
- Marathi Language activities are conducted.

Tolerance and harmony towards socioeconomic diversities:

- The Earn and Learn Scheme is effectively implemented for EBC students.
- The institute implements the Government schemes and scholarships.
- The institute introduced AMS for students having more than 9.5 SGPA.
- The institute allows students to pay fees in installment.
- The dress code is adopted to avoid social and economic disparity.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. Title of the Practice "First Year Conclave powered by Senior Alumni" 2. Objectives of the practice • To know recent requirements of industry from alumni, decide roadmap of career. • To interact with all stakeholders on one platform. 3. The Context Students lagging in deciding plan for their career in spite of having good technical, academic knowledge. Alumni, parents, teachers and students' interaction is necessary for better career. 4. The Practice This practice is conducted after one month of starting of First year classes, FE Conclave powered by senior alumni organized. Alumni, parents, teachers and students' interaction made at one platform in open discussion. Students and parents ask questions to alumni and management. Dignities and alumnae share their experiences and help students for career planning. 5. Evidence of Success: FE students clears their doubts about academic and career. Parents get awareness about their ward's career planning. Students and parents get management's preview about their progress. Alumni interaction increased that leads to employability enhancement. 6. Problems Encountered and Resources Required Alumni are not able to provide their time due to their busy schedule. Few parents are also not turning due to good academic culture in the institute. 7. Notes: After the program, few students interact for any queries with alumni.

Best Practice_2 : "Amrut Expo- Institute Level Project Competition"

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Best Principal Award to Dr. M. A. Venkatesh by Savitribai Phule Pune University, Pune. The principal has adopted many innovative practices in the institute like Amrut-Expo, Amrut Meritorious scholarship, Learning Practice, FE Conclave powered by senior alumni, Library and e-resources to all students etc. The faculty, staff under the leadership of Principal have added many feathers in the crown of the institute, few are listed below.

- The Institute is Permanently affiliated with SPPU, Pune.
- Four times accreditation by NBA, New Delhi, and Graded 'A+' with 3.40 CGPA by NAAC.
- International Academic Accreditation ISO 9001:2015 by TUV SUD.
- The campus is spread over 15.6 acres of ample greenery added every year.
- It provides 100% placement assistance to its students through value added courses, foreign languages (Japanese, German) and Training.
- It boasts state of art IT centre with 500 mbps Wi-Fi Internet Facility.
- Imparting excellence driven engineering education that builds the future of Engineers Entrepreneurs.
- The campus placements of the institute have marched the excellent count of 601 in academic year 2022-23.
- The career development cell (CDC) is implementing different schemes such as trainings (Company Specific/ General), Competitive examinations guidance, Buddy scheme etc.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institution ensures effective curriculum delivery through a well-planned and documented process through structured committees.

- Curriculum and academic calendar are designed and published by the Savitribai Phule Pune University. Before commencement of each semester, Principal calls meeting with HODs and finalize the academic calendar considering the institute events. All departments prepare their academic calendar.
- Subject allocation of faculty is done as per specialization and their choice by HOD. Subject distribution is planned well in advance for proper academic implementation.
- Time tables are prepared, preserved and displayed with prior approval of HOD and Principal. Course file, Lab manual, theory and practical teaching plans are prepared by faculty of the respective subject allotted before commencement of semester.
- Report of syllabus coverage, monthly class attendance and test marks are submitted to Dean Academics, Principal at the end of every month by HOD.
- Academic progress, grievances, feedback from stakeholders are taken and conveyed to Principal for strengthening curriculum delivery and overall improvement.
- Based on result analysis and attainment of CO, PO and PSO, corrective actions are suggested and implemented in subsequent academic year.

File Description	Documents
Upload relevant supporting document	View File
Link for Additional information	Nil

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

- According to SPPU's directives, academic calendars are prepared at institute level. Based on this calendar, departments prepare their own calendars.
- Department monitoring committees monitor activities to ensure smooth lectures and practical sessions.
- Each student's attendance is recorded daily in Sackinfo ERP software. Absences of students are communicated to parents through SMS on a regular basis.
- Class tests, assignments, seminars, tutorials, guest lectures, industry visits, value-added courses, and other activities are scheduled according to the academic calendar.
- When a student's performance is poor or he or she is absent, the parents of that student are contacted for counselling and corrective action.
- The continuous assessment of Practical/Term work is done based on record conduction and viva (RCV/ACO). On the basis of record conduction and viva (RCV/ACO), the continual assessment of Practical/Term work is done.
- For both slow and advanced learners, the learning process is organised according to a schedule.
- Periodic audits and compliance with statutory requirements are used to ensure continual improvement. A quality management system based on IQAC guidelines is used to create a strong teaching learning process.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The curriculum has incorporated environment and sustainability issues in few courses are as follows:

- Architectural Planning and Design of Buildings: From this course students learn- to develop optimum planning, utilization of resources, how to use building byelaws, green building concept, etc
- Environmental Engineering: This course highlights the aspects related to air pollution, noise pollution, low cost waste water treatment systems.
- Geotechnical Engineering: Energy Audit and Management, Material Science.

The curriculum has incorporated Human Values issues in few courses are as follows:

- Industrial and Technology Management, Information and Cyber Security, Road Safety Management

The curriculum has incorporated Professional Ethics issues in few courses are as follows:

- Total Quality Management and Management Information System.
- Gender equality issues as part of the curriculum is covered in co-curricular activities.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The Institute has policy to identify slow and advanced learner and conduct activities accordingly.

The process of slow and advanced learners identification is based on following parameters.

Sr. No. Parameter Weightage in %

1. Performance in unit test 15
2. Academic Performance 50
3. Class/Subject Teacher Feedback 10
4. Activity Participation 25

- The students securing marks below 40% are Slow Learners and the students securing marks above 70 % are Advanced Learners.

Advanced Learner Activities:

1. Expert sessions from Industry/Academic, on technology advancements. 2. Opportunity to co-ordinate State/National level Seminars/workshops and GD, quizzes, debate, Essay Writing etc. 3. Study group system with slow learners. 4. Buddy alumni Scheme for career and skill guidance. 5. Guidance for GATE, MPSC, UPSC, CAT exams. 6. Financially supported for professional bodies membership like IEEE/CSI/ISHRAE/ASI/IEI/IETE/ ISTE etc. 7. Registration fees to participate and present papers in Workshops/Seminars/Conferences/Hackathon/Inter-Collegiate competitions, etc.

Slow Learner Activities: 1. Simple but standard course material, Recorded video lectures. 2. Learning Practice session

for detail discussion on syllabus content/revision. 3. The tutor's interaction with students and parents. 4. Buddy alumni Scheme for career guidance and counseling. 5. Need based counseling by professional counselor. 6. Make up classes for DSE Students.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute encourages and practices experiential learning, participative learning and problem solving methodologies by employing student centric methods, where in faculty plays a role of facilitator.

The following methodologies and initiatives have resulted in enhanced learning experiences.

1. Industry Internships: The Internships have improved their problem solving skills as students worked on small projects and learned industrial practices. 2. Project Based Learning: Final year projects and Project Based Learning allows the students to do active experimentation and learn by doing the things. In project based learning students solve problems, get hands-on experience of using real world components, tools, instruments, equipment and machinery. 3. NSS field work: NSS volunteers have participated in various physical events during 2022-23, which enhanced their experiential learning. 4. Participation in Hackathons, SAE Competitions etc.: Teams from the institute

participated in academic year 2022-23 for their project in SPPU HACKATHON competition. A team from the Mechanical engineering participated in the SAE INDIA-TIFAN. These activities also develop their design skills and problem solving skills.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The faculty employs ICT enabled teaching learning methodologies and cutting-edge technology for content delivery and learning. The institute has the necessary resources to provide learners with an interactive, engaging, flexible, and convenient ICT-based learning environment detailed as below.

- Class rooms and Seminar halls are equipped with LCD/DLP projectors; internet/Wi-Fi connectivity and portable public address systems for delivery of digital/multimedia contents.
- Faculty utilize ICT tools to teach course content using innovative pedagogy techniques such as PPT, animations, videos.
- Learning management system (Moodle) is used to provide assignments and for sharing the learning resources.
- Faculties use various e-learning resources like Swayam / NPTEL MOOC platforms.
- The institute's central library is equipped with multimedia PCs, internet access, and access to an institutional repository of class notes, video recordings containing demonstration of the laboratory experiments, e-Books, e-Journal subscriptions, an audio-visual section and a library OPAC system.
- A separate Japanese Language Learning centre (SAKURA) and German Language Learning Centre with smart interactive display facility is established in the institute.
- Expert talks/lectures, training programs, workshops and webinars are conducted regularly using ICT facilities.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

To bring transparency in the internal assessment, students are made aware with evaluation rubrics. Exam schedule and time-tables are communicated in advance to the students.

Internal assessment of Unit tests and Prelim examination- 1. Schedule of Mock In-semester and Prelim Exam is given in academic calendar which is communicated to student at the time of commencement of semester. 2. It is a practice of the college to show internally evaluated answer books to the students in the class for identification of common mistakes and students are counselled regarding areas for improvement. Internal assessment of laboratory work/term work- 1. The laboratory work evaluation is the basis for the award of term work marks. The evaluation is based on A-C-O rubrics covering Attendance/punctuality (A), conduction of practical (C) and oral (O). 2. Final term work marks are displayed at the end of each semester for student information. 3. Students are free to

interact with the teacher to resolve grievances if any, regarding the assessment.

Internal assessment of seminar and project work- Assessment is transparently carried out based on rubrics of evaluation that is made available to the students at the beginning of first semester of final year .

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

External examination related grievances- External (University) examination grievances are addressed by examination section as per the process laid down by the SPPU. Institute follows a time bound, efficient and transparent process for the examination related grievances of the students. To bring transparency in external examination related grievances, a separate hoarding is displayed at examination section detailing with the processes to be followed for grievance redressal. A College Exam Officer (CEO) is appointed by the institute for the smooth conduction of University exams and for addressing exam related grievances as per the University rules.

Internal examination related grievances-

- Unit Tests and Preliminary Examinations-

Institute conducts Unit tests and preliminary examination and answer sheets are evaluated in front of the students and the grievances are resolved.

- Term-work Evaluation-

Term-work marks are given based on continuous evaluation process based on the performance of the students during the course of semester. Students are informed in advance the rubrics of continuous evaluation. Marks distribution is done based on evaluation of assignments, performance in internal Unit Tests, record in practical journals, performance of experiments and internal viva-voce. Grievances raised by the

students regarding term-work marks are resolved collectively by subject teacher and HOD.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Program outcomes (POs) and course outcomes (CO) of the all the programmes and courses are stated and communicated to the students through institute website and by display of hoardings at prominent places of the institute. CO statements address appropriate Blooms Taxonomy (BT) levels by considering a proper balance of lower, intermediate and higher order abilities and skills to be acquired by the learners. Graduate attributes prescribed by NBA are taken as 12 Program Outcomes. Mechanism of Communication of POs and COs: POs are communicated to the students, teachers, staff and other stakeholders through the following ways:

- Displayed at main entrance of the departments.
- Published through institute website- www.avcoe.org.
- Conveyed during various value added courses, workshops, seminars, induction programs.
- Conveyed during teaching learning process, tutor meetings.
- Published regularly in institute brochure, departmental magazine.
- Printed on laboratory manuals, project log book.

Course Outcomes (COs) are communicated to the students through the following ways:

- COs are published through institute website- www.avcoe.org.
- COs are made available for the ready reference of the students through course syllabus copies, notes, hand-outs, lab manuals.

- Course syllabus copies, notes, presentations and lab manuals are also made available to the students in digital media formats.

Paste link for Additional information	Nil
Upload COs for all Programmes (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institute follows Outcome Based Education (OBE) philosophy for the measurement of levels of attainment of POs, PSOs and COs. The assessment methodologies and the process of measuring attainment levels is summarized below. Direct Assessment Methodologies: Direct assessment methodology have two components viz- internal assessment (20% weightage) and external assessments (80 % weightage). Internal assessments are carried out for Class Tests and Prelim examination, External assessments are carried out for in-semester, end-semester examination, oral/practical examination and term work evaluation of laboratory work.

Direct assessment Rubrics used for Course Outcomes (COs) are:
 Attainment Level 1: XX% of students score more than XX% marks
 Attainment Level 2: XX% of students score more than XX% marks
 Attainment Level 3: XX% of students score more than XX% marks
 CO Attainment = 80 % of Attainment Level of External Assessment + 20 % of Attainment Level of Internal Assessment
 Indirect Assessment Methodologies for Program Outcomes (POs): Indirect assessment methodologies for PO's is carried out based on alumni feedback, program exit survey and employer survey.
 Overall PO Attainment= 80% of attainment through direct assessments + 20% of attainment through indirect assessment.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The Institute has given an opportunity for rural graduate and post-graduate students to explore new ideas and share information with others who share their interests.

The Research and Development Cell inspires in students a research culture and promotes continuous excellence in engineering education.

With this well-defined framework, students and faculty members attend seminars and workshops, give papers, compete and exhibit, and register for IPR. This results in the concerned person's view broadening as a result of exposure to the outside world and the study of pressing concerns in such areas. The end result of this process is that fresh and inventive ideas are conveyed to subsequent batches, their counterparts' mindsets change, and juniors are guided. Faculty and students with higher intellectual levels serve as lighthouses, illuminating others, resulting in overall quality improvement, greater career prospects, and overall expansion of the institute.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students

to social issues, for their holistic development, and impact thereof during the year

The development of social awareness among students and faculty members is vital as part of extension operations. The Institute takes social responsibility by promoting various activities such as the cleanliness awareness program, the Swatchh Sarvekshan campaign for Sangamner City, and so on for the purpose of extending activities in the neighborhood community and alerting students to social issues for their overall development. Thus, through its focused efforts in this field, the institute constantly takes proactive actions to contribute to the social uplift of society and rural people. The following are the case studies on extension activities carried out in the neighborhood community, for their holistic development.

Sr. No. Description

- 1 Azadi ka Amrit Mahotsav
- 2 Eco friendly Ganpati Making Competition
- 3 Orientation Program for NSS Volunteer

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The Institute has created adequate infrastructure in terms of State of the art computer labs, library, language lab, classrooms and seminar halls with audio visual facility. The whole campus has Internet facility with dedicated 500 Mbps lease line. The campus has well equipped playground, gymnasium, hostel, mess, women's common room and an amphitheatres. Institute has in campus facilities like Xerox, Stationary store, ATM.

Laboratories are well equipped and charts, models and cut sections are displayed in laboratories for better understanding. The Institute has excellence centers like E-Yantra Robotics Lab, NVIDIA-CUDA learning center, CISCO Networking Academy, REDHAT Academy Centre, etc. Modern machineries like 3D printer, Co-ordinate Measuring Machine, Hybrid Wind/Solar system etc are also added in the laboratories to facilitate advance learning and research. Classrooms and seminar halls are well furnished, ventilated, illuminated and equipped with mounted LCD projectors, white screens, podium, green boards with the ICT tools and audio-video facilities strengthens the infrastructure. The Library is segmented in Reference Section, Journal Section, Reading Hall, Digital library, etc. The library has collection of Textbooks, Reference, Journals, e-Journals, e-books, CDs, LED TV etc. The institution has membership of Automotive Research Association of India, Delnet, Jaykar Library, Indian Institute of Technology, Mumbai.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The Institute has two wide playgrounds Vasantdada Patil Ground and Medha Ground having size of 50,420 sq.m and 58,980 sq.m. for playing outdoor games such as cricket, volley ball, basketball, running track, horse riding and foot-ball. Similarly, the institute also has the facility for indoor games such as chess, table tennis and badminton. Institution provides its playground for organizing University, District and State level events.

The gymnasium has high end machineries and equipments for body building. The Institute has cultural cell/Mudra Club which looks after cultural activities with different high end equipments/musical instruments. Since 2015-16, every year Institute conducts a cultural event "Medha" to nurture the talent of the students. The institute organizes many competitions like dance, song (group and solo), writing, debate, rangoli, flower decoration, poster making, painting etc every year. Amrut kalamanch and Amphitheatre; with 1000 and 2500 seating capacity respectively & 2 well equipped Conference halls with 350 & 150 capacity. Different activities like Special classes on selfdefense for female students are arranged. The Yoga Club which runs daily 05-06 pm. Institute celebrates 21 June, the international Yoga day on large scale. National Independence Day and Republic Day are celebrated in the Institute.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The main objective of Central Library is to provide seamless access of the information to its users in a networked environment and to become a premier learning resource center in Engineering, Science & Technology and related areas. The library is partially automated using library management software 'Sack Info ERP Software (V.2.5)' with barcode technology since 2018.

The library has rich collection of text book, reference books, handbooks, manuals, rare books, e-books, journals, e-journals, etc. A total of 68057 volumes, 15155 titles and 41,600 + e-books are available in the library as on 31st May 2022. The

library subscribes to 109 print journals and 270 e-journals. It has well designed and maintained stack rooms. The library has covering an area of 1222 square meters. It has well designed and maintained stack rooms. The library database is centrally computerized for accession and renewals for students and use of bar codes for the books simplifies for easy, secure and quick operation. The library has subscribed e-Journals, research journals in electronic as well as printed formats with various reputed online scientific databases such as IEEE, ASME, ASCE and DELNET.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Institution has adequate IT infrastructure which is updated and upgraded continuously as per the curriculum requirements and changing technology. Wi-Fi zones are provided at various locations such as reading halls, hostels, and department corridors. The computer labs are connected through LAN with internet facilities. ICT facilities are available in all the departments.

A leased line connectivity of 400 Mbps from Airtel and 100 Mbps from Tata is procured. The maintenance of computer, Internet Wi-Fi networking, and installation of software and maintenance and up gradation of hardware is done on contract basis.

1. Network Security: The college campus has completely switched, high availability network. Network is secured by firewall integrated in router. Additionally, Sophos is available with access control.

2. Software Asset Management: We categorize the software assets as open source software assets and proprietary software assets. The proprietary system software are purchased at Sanstha level

and further distributed to different units. Application software is purchased for individual departments as per their curriculum and research requirement.

3.Open-Source Resources: Institute strongly promote open-source software, tools and applications such as JDK, Star UML, Eclipse, G++, gcc, SSH, My-sql server and client, Scilab, Octave etc. for supporting computers assisted learning. Currently institute supports Linux operating system.

Green Computing: Institute strives hard to reduce the carbon footprint. Most of the administrative activities pertaining to faculty, staff and student are handled through the ERP. All the news feeds are displayed through LED TVs.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The classrooms are well-equipped with modern teaching tools, such as LCD projectors. The maintenance and cleaning of the classrooms and furniture are done with the efforts of non-teaching staff and in major cases the college employs a maintenance contract to the experts. A request letter is sent to the Principal to pre-approve the expected expenditure for the work. Quality control is conducted during the process and the bill is checked and approved before being sent to the relevant authorities. All computers and peripherals are also inspected by the technical assistant for any issues. The institute's website is updated and maintained internally. Library software is maintained by AMC. CCTV camera has been installed at all important places in campus including classrooms.

Electrical, plumbing and generator maintenance is done with the help of local skilled persons. The quality of drinking water is tested regularly. The fire extinguishers are refilled timely. The running track and gym are open to all stakeholders, and the management provides adequate funds for the upkeep of sports facilities. The general maintenance of infrastructure is looked after by the estate section. However, periodical, preventive and post-maintenance of equipments are done through Annual Maintenance Committee as per supplier's service manual.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Overview:

The establishment of student councils play an integral and important role in the student community. Student councils provide a representative structure through which students can debate issues of concern and undertake initiatives of benefit the college and the wider community Students have a voice and a contribution to their college . It is important that, they should be given an opportunity to express their views on concern issues of them in the college. It is equally important that they are listened to and encouraged to take an active part in promoting the aims and objectives of the college. This policy establishes the basis for the formation of Student Council Policy, including their composition, membership, terms and recommendations.

Objectives:

1. To enhance communication between students, management and staff
2. To promote an environment conducive to educational and personal development
3. To promote friendship and respect among pupils
4. To support the management and staff in the development of the college
5. To represent the views of the students on matters of general concern & Policies.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

- An Alumni Association registered during the year 1994 with registration number - MH/788/04/Ahmednagar. The purpose of the association is to bring all the alumni together in a single platform; to share their experiences, to extend support and provide guidance to the Institution.
- The special alma-shine portal is designed for alumni registrations. At present active alumni strength is 6333 out of more than 10000 graduates.
- The institute organizes "MILAP" alumini meet every year. During the meet, they interact with the students, faculties, management and share their ideas for improvement of overall progress of the institute.
- Apart from the regular event, the alumini visit the department to provide guidance through guest lectures, seminars, Annual Quality Assurance Report of AMRUTVAHINI COLLEGE OF ENGINEERING, workshops and supports for industrial visits, internships, and placement drives, etc., throughout the academic year.
- The alumini of the institute supports the students for financial help during their project work, or any competitions.
- Alumni voluntarily involve in mentorship for current first year and second year students of institute through Buddy scheme a unique feature. He/ She inspires and motivates the student to infuse confidence level by quoting his/her journey, deep career to achieve the excellence. In this scheme, the alumini supports till

he/she graduates with career prospects.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision

- To create opportunities for rural students to become able engineers and technocrats through continual excellence in Engineering Education.

Mission

- Our mission is to create self-disciplined, physically fit, mentally robust, and morally strong engineers and technocrats with high degree of integrity and sense of purpose who are capable to meet challenges of ever advancing technology for the benefit of mankind and nature.
- We the management, the faculty, and staff therefore promise to strive hard and commit ourselves to achieve this objective through a continuous process of learning and appreciation of needs of time

Governance

- Top management directs Principal focusing on vision and mission of the institution.
- The Principal consistently follows top management

policies to achieve the vision with the support of staff.

- Principal, Vice Principal, IQAC Director, Deans, Registrar and Head of Departments come together to form different committees to provide "decentralized administration" to achieve institution's objectives and goals put forth.
- The institution is committed to follow quality framework defined by ISO 9001:2015 with the support of IQAC.

Academic Planning:

- Semester wise academic calendar, which includes all curricular, co-curricular, extracurricular activities by following University academic calendar.
- Financial Planning: Budget required in academic year as per perspective plan.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The organization has a well-structured administrative setup with Governing Council as the highest decision making body followed by CDC and AAB, 53 other functional bodies and committees. Service rules, Procedures, Recruitment and Promotional Policies: The Institute has a set of well-established rules, policies and regulations within the frame work of AICTE, State Govt. and the affiliating university, which are approved by the Governing Council of the Institute. The rules and regulations of the institute were first published in Nov 1997 and are, revised periodically. The following documents are published and are made available in the institute, library and in all departments to create awareness

among the employees and students. The same is, also available in the college website - avcoe.org. The copies of the institute, Administrative Manual containing service rules, Procedures, Recruitment and Promotion Policies, are circulated among all the staff (both Teaching and Non-teaching) for their information.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

All staff, that is eligible as per the Staff's Provident Fund Legislation are enrolled as members to EPF Scheme. Institute provides gratuity scheme, Group Medical Insurance, for staff. All the benefits at superannuation are extended to all staff members viz. Summer and Winter Vacations of 70 days, 12 days Casual Leave per year, 10 days Medical Leave per year for approved faculty and 9 days of special leaves for ad-hoc faculty members. Six months maternity leave is available to the women employees. The institute allows faculties to go for

higher studies and short term courses. On duty facility and training and travel grants for attending workshops /conferences/seminars. Fees reimbursement policy is in place for Swayam, NPTEL and NITTT courses. Institute provides residential facility for the staff members. Institute constituted Amrut Madatnidhi for staff in case of medical emergency with maximum help amount extended upto Rs.50,000/-. In case of any emergency, personal loan is also provided to the staff through staff credit society. Tuition fees collected in Equal Monthly Installments (EMI) for wards of the staff. Institute provides uniforms to non-teaching staff with all required accessories. Medical facility on campus, ambulance in case of emergency is also being provided for all staff.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The Institute follows a systematic Performance Appraisal System for teaching and non-teaching staff. The management evaluates teachers based on teaching, R&D activities. The institution

evaluates non-teaching staff based on performance in technical support and administration related activities, co-curricular, professional, development related activities, academic contributions, general conduct and qualities. A structured "Self-Appraisal Form" is used by staff member for this purpose. The concerned HOD gives their remarks on the performance of the faculty member. Additionally, Increment form based on API (Academic Performance Index) is introduced for awarding annual increments. The minimum requirement is 75% score. The management evaluates the faculty members and staff by merit rating based on their performance during the period of evaluation. They are recognized for academic performances, R&D, consultancy, IPR, results, project guidances, peer reviewed publications, funded research, patents developed, recognition by professional bodies and contribution towards achieving institutional goals. In case of non - teaching staff, increment is released based on their performance in the department, their urge to learn new technologies, interpersonal behavior and punctuality towards the work done in department and institute. The above methodology of merit rating has helped the institution to identify and reward meritorious employees and to positively motivate them.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Institution conducts internal and external financial audits regularly. At the beginning of every financial year, every department submits budget requirements to the institute. Head of the departments prepares budget reports, based on information provided by various lab in-charges and submit it to the institute. Budget is proposed by Principal in GC and CDC, and is approved by them. Looking at the syllabus revisions and requirements thereof, additional procurement is suggested if any. At the end of every financial year, it is observed, whether the allocated budget is properly utilized or not. For above procedure, the institution is having qualified practicing

CA as internal and external auditors who audit the accounts annually. After the audit, the report is sent to the management for review. In addition to this, the institution is having consultants to give opinion on taxation and legal issues. The college is filing income tax return every year within the stipulated time. Internal Audit- It is conducted quarterly in a year by the audit department of the parent institution, Hase and Firm, Nasik External Audit- In the second stage, the audit is carried out by M/S. Rajendra Gundecha & Company C.A., Ahmednagar. Internal/External Audit Last Audit date : 14-08-2023 Details of Compliance : There is no adverse remark on the accounts of the institution

Auditors: Rajendra M. Gundecha & Company, Sangamner

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Budget allocation -

1. 10% of total income is taken out as corpus fund. 2. 70% of total expected income is allocated for staff salary 3. 20% of

total expected income is budgeted in following proportion

- Library 5%
- Infrastructure built up -10%
- Laboratory equipment - 25%
- Laboratory Consumables - 5%
- Maintenance and Spares - 30%
- Research and Dev. - 3%
- Travel and Training - 2%
- Miscellaneous-10%
- Others - 10%

4. Irrespective of the expenditure against each head for that financial year, the Institute allocates budgetary provisions as per the percentage decided. Unutilized funds may be used for other heads or can be forwarded to the next financial year. 5. The funds are allocated for planned and unplanned activities, infrastructural and lab equipment to fulfill the requirements as per revised curriculum. Budgetary controls are exercised by Principal and accounts. 6. Special considerations are made to accommodate unforeseen requirements. There has been no budget crunch that has affected the teaching learning process and effective functioning of the institute. 7. Budget is prepared in March, whereas the syllabus revision, Admissions and fees allocation is done in June/July. So, there may be some deviation in utilization and budgeted amount.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has made significant contributions for framing and implementation of the quality assurance strategies and processes. In order to ensure the quality of the educational system, including the teaching and learning process, IQAC holds regular meetings. The IQAC and its constituent, ISO cell undertake various quality assurance initiatives. IQAC conducts academic audit covering all the important aspects of teaching-learning process. A separate audit was conducted to assess

quality of course file and personal file contents of individual faculty. Continuous improvement is achieved through periodic academic and administrative audits (AAA) and satisfying statutory requirements. The recommendations and guidelines provided by the GC, AAB and CDC are implemented effectively in coordination with the IQAC. The quality assurance strategies and processes incorporated by IQAC and its constituent ISO cell are provided in additional information file. The following activities are conducted by IQAC to improve the standards of education at the institution.

- Organizes induction programme for FE students with FE coordinator.
- Coordinating social activities through active NSS unit of the institute.
- Promote research and innovation culture in the institute through R&D cell.
- Organize faculty development programs (FDP).
- Preparation for NBA.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Teaching-learning processes, methodologies and learning outcomes are periodically reviewed by the IQAC. The effectiveness of the implementation of these initiatives is monitored periodically by conducting academic and administrative audits (AAA). Various reforms and quality initiatives undertaken by IQAC are elaborated:

1. Academic calendar and adherence with academic calendar
2. Enhancement in the usage of innovative pedagogy techniques and ICT tools
3. Implementation of Outcome Based Education (OBE)
4. Strengthening of the ERP system
5. Feedback system for evaluation of faculty from students
6. Student's result analysis
7. Adopting a revised ISO 9001-2015 Quality Management System (QMS)

8. Review of all the academic and administrative processes through academic and administrative audits conducted through ISO 9. The Institute always believes in continual improvement and strive to get a quality assessment by various agencies. To testimony this, Institute programs are accredited four times by the National Board of Accreditation (NBA), New Delhi & two times by NAAC, Bangalore.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender equality and sensitization in co-curricular:

- Gender equality promotion program organized
- Group discussion
- Debate competition

Facilities for women in campus:

1. Safety and security: The campus is under CCTV surveillance, exclusive parking for ladies. Biometric attendance in hostels, in time to hostel; rectors, clerks appointed for monitoring attendance. Lady doctor service is provided for health issue with ambulance service. 2. Counseling: In tutor scheme, one faculty for monitoring issues. Buddy scheme is initiated to guide by senior alumni. A separate lady trainer is appointed for physical fitness activities. A professional counselor is appointed for counseling session, available as per schedule. 3. Common Rooms: In the institute, separate boys, girls common rooms are provided at various locations with facilities. Girls common room with all necessary things.

4. Day Care Centre for young children: Amrutvahini School extending the support to provide day care facility to our faculty's childrens. Toys and proper security measures are provided with maid servant. 5. Any other relevant information/Other initiatives by institutes: Women's day was celebrated on 8th March 2022 with motivational talk. Girl's hostel includes separate study room; computing facility, gymnasiums, outdoor games, cafeteria. Health awareness activities arranged. Different committees including ICC, woman empowerment cell are functional.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management:

Plastic, papers, etc. are sold out to scrap vendor. One side printed papers are reused. The paper wastes are shredded, sold to agency for recycling. Daily garbage and biomass disposed in compost pit. The dry, wet garbage separated food used for biogas plant. Metal scrap is sold out in auction. The old jobs are reworked, reused for student practical.

Liquid waste management / Waste recycling system:

All waste water lines are connected to the septic tank. Waste water generated from Campus which includes sewage from buildings. The microbial culture technology based Sewage Treatment Plant (STP), capacity of 0.4MLD and Installation cost is Rs. 27.94 Lakhs installed impacting reduction in CO₂ emission of $0.85 \times 8952 = 7609.2$ Kg.

Biomedical waste management: It is not generated in the institute.

E-waste management:

The major E-waste includes desktop computers; UPSs, laptops, monitors, stabilizers stored properly. Reuse of components in projects displayed in corridors for demonstration. The e-wastes like computers, keyboards mouse's collected, disposed to the scrap dealer.

Hazardous chemicals and radioactive waste management:

The chemicals used in chemistry lab and environmental lab are diluted, disposed in sand pits. We are not using any radioactive materials.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Tolerance and harmony towards cultural and communal diversities:

- All important days like Independence Day, Republic day are celebrated every year. The cultural programs are conducted on Independence Day, Republic day.
- Festivals are celebrated in the premises. Showing religious harmony, various activities like elocution competition, birth anniversaries of social reformers are organized.
- The minority cell, OBC cell and SC/ST committee are organizing meetings to ensure harmony among students.

Tolerance and harmony towards regional, linguistic diversities:

- The institute maintains always supports for holistic culture in the campus.
- The institute has residential facility in campus with hostels.
- Every year Basantpanchami is celebrated.
- At present, the students from J&K are admitted, accommodated under PMSSS quota.
- Majority of faculties are from Maharashtra, creates well comprehensive culture among the faculties.
- Few faculties are from Bihar, Jharkhand residing in college staff quarters.
- Marathi Language activities are conducted.

Tolerance and harmony towards socioeconomic diversities:

- The Earn and Learn Scheme is effectively implemented for EBC students.
- The institute implements the Government schemes and scholarships.
- The institute introduced AMS for students having more than 9.5 SGPA.
- The institute allows students to pay fees in installment.
- The dress code is adopted to avoid social and economic disparity.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. Title of the Practice "First Year Conclave powered by Senior Alumni"
2. Objectives of the practice
 - To know recent requirements of industry from alumni, decide roadmap of career.
 - To interact with all stakeholders on one platform.
3. The

Context Students lagging in deciding plan for their career in spite of having good technical, academic knowledge. Alumni, parents, teachers and students' interaction is necessary for better career. 4. The Practice This practice is conducted after one month of starting of First year classes, FE Conclave powered by senior alumni organized. Alumni, parents, teachers and students' interaction made at one platform in open discussion. Students and parents ask questions to alumni and management. Dignities and alumnae share their experiences and help students for career planning. 5. Evidence of Success: FE students clears their doubts about academic and career. Parents get awareness about their ward's career planning. Students and parents get management's preview about their progress. Alumni interaction increased that leads to employability enhancement. 6. Problems Encountered and Resources Required Alumni are not able to provide their time due to their busy schedule. Few parents are also not turning due to good academic culture in the institute. 7. Notes: After the program, few students interact for any queries with alumni.
