About FDP:

Faculty Development Programme (FDP) is designed to train and develop professionals in entrepreneurship development so that they can act as resource persons in training, teaching, guiding and motivating young S&T persons to take up entrepreneurship as a career choice. Through FDP, faculty members of Science and Technology Institutions, Polytechnics, Entrepreneurship Development Organizations and other institutes are trained for duration of 2 weeks.

FDPs provide inputs on process and practice of entrepreneurship development, communication and inter-personal skills, creativity, problem solving, achievement motivation, resources available and all aspects of entrepreneurship. Training methodology includes case studies, group discussion, simulation exercises, and classroom lectures.

Programme Objectives

Faculty Development Programme (FDP) aims at preparing teachers/trainers with skills and knowledge that are vital for inculcating entrepreneurial values. The outcome of the FDP is likely to provide essential tools and techniques in the area of entrepreneurship, innovation and incubation through diverse modules, can act as resource persons and can apply them for linking classroom teaching for motivating the students towards entrepreneurial career.

Target Group

Faculties of Science & Technology Colleges / Institutions, trainers from organizations engaged in entrepreneurship development. Programme Duration is 15 days (2 Weeks).

Last Date of Registration: Saturday, 15 May, 2021; 05:00 PM

About Udyogwardhini

Udyogwardhini was founded in 1995 with a motto of laying an entrepreneurial pathway for budding entrepreneurs by Mr. Sunil Chandak. Udyogwardhini had well realized the importance of practical aspects of Entrepreneurship and Skill Development. Our team started creating unique and innovative programmes in order to fuel our spirit of entrepreneurship. This is when our vision turned into reality. Along with the core parameters, entrepreneurship is also about continuous changes, these changes are the only constant in today's world. In this illuminating journey, we have always focused on creating an ecosystem that works at grassroots & connects to the global network. We have fueled the entrepreneurial journey of 60,000+ aspirants through our entrepreneurship development programmes which are practically updated with trends and personally mentored to commercialize ideas into profitable business ventures. We continue to support by providing technology, finance, market, and infrastructure.

About Amrutvahini Sheti and Shikshan Viksa Sanstha

Honorable Sahakar Maharshi Late Shri. Bhausaheb Thorat, Freedom Fighter, Pillar of Co-operative Movement and Founder of Amrutvahini Sheti and Shikshan Vikas Sanstha, a great visionary and philanthropist. He converted his thoughts into reality by creating educational and training facilities. For this, he has founded the Amrutvahini Sheti and Shikshan Vikas Sanstha in 1978 to provide education to the poor farmer at his doorstep, which boosted the socio-economic progress of the rural people. The Sanstha is running following educational institutions:

- Amrutvahini College of Engineering.
 - Amrutvahini Polytechnic.
 - Amrutvahini Institute of Management and Business Administration.
 - Amrutvahini Industrial Training Institute.
 - Amrutvahini International School.
 - Amrutvahini Model School.
 - Amrutvahini College of Pharmacy.
 - Amrutvahini Institute of Diploma in Pharmacy.
 - Amrutvahini Junior College.
