

F.Y. Convention:

F.Y. Convention Programme is arranged every year for newly admitted first year students. In the programme on the behalf of Amrutvahini Sheti and Shikshan Vikas Sanstha CEO of Sanstha, Principal of Amrutvahini college of Engineering along with all faculties give grand welcome to the newly admitted First year engineering students. The convention programme is known as “Teacher-Student and Parents Convention” During convention programme parents of newly admitted students are also invited.

In this programme all the achievements, facilities available in the college and teaching learning processes carried out in the college are made known to all the Students and Parents by Principal. The programme ends with National Anthem followed by delicious lunch.
