

Solar Ambassador Workshop:

Amrutvahini College of engineering organised workshop on Gandhi Global Solar Yatra under guidance of IIT Bombay on 2nd October 2019. Gandhi Global Solar Yatra that is a flagship program of IIT Bombay promotes localized solar energy solutions through the involvement of local communities. Ministry of New and Renewable Energy (MNRE), GoI and IIT Bombay were jointly organized to make more than 1.32 lakhs students as Student Solar Ambassadors (SSA) on 2nd October 2018, which was a Guinness World Record Event. As the name suggests these students solar ambassadors will use and promote solar energy. A Gandhi Global Solar Yatra (GGSY) is now planned to spread awareness across the globe on the severity of climate change, clean energy access, and energy self-sufficiency for billions, required to achieve sustainability on the planet. A global workshop for training more than 1 million students to make them SSA will be organized on 2nd October 2019, commemorating the 150th Birth Anniversary of Mahatma Gandhi, who epitomized the cause of Non-Violence (principles). Amrutvahini College of engineering students and staff participated in this global endeavor where students make the solar lamp in this workshop and trainer had gone through training provided by IIT Bombay on the online platform. Following are number of students and staff participation from our institution.

Sr.No	Students /Trainer	AVCOE Engg.	AV Poly	ITI	Junior college	Model school	International school	Pharmacy college	Total
1	Number of student participants	534	150	40	20	72	41	18	875 participants
2	Trainers	24	8	2	2	2	2	--	40 Trainers
