

## **Student-Parent Counseling Cell:**

College arranges parents meeting with amicable atmosphere for those students, who are lagging behind in attending lectures, maintaining discipline in the college or class room, couldn't show the satisfactory results etc, are being counseled through the class teacher and senior teachers. Also those students have some difficulties for studying or facing any difficulties in the hostels, could come up towards the counseling committee. In the student-parent counseling, we also propose future plans towards the growth of students.
